Section 2. Additional Property. Declarant may, at any time and from time to time, subject additional property or modify the property subject to this Declaration, regardless of where such property is located, without limitation, by recording in the public records of Citrus County an amendment to this Declaration, describing such additional or modified property and setting forth any additional restrictions, voting rights, maintenance requirements, user fees, dues, or other provisions pertaining to such property. Notwithstanding the fact that the Developer's submission of additional property to the Declaration may result in an overall increase of Assessments attributable to each Parcel, or may result in an overall increase on the total number of votes or Member in the Association, nonetheless such amendment(s) by Declarant shall not require the joinder or consent of the Trust, the Association, other Owners or mortgagees of any portion of the Property, or any other person or entity. Any property submitted to the Declaration pursuant to the terms hereof shall be included in the term "Property," and shall be part of Halls Reserve P.O.A., Inc., regardless of where such property is located.

Section 3. Merger or Consolidation. Upon a merger or consolidation of the Association with any other associations, its properties, rights, and obligations may, by operation of law, be transferred to another surviving or consolidated association or alternatively, the properties, rights, and obligations of another association may, by operation of law, be added to the properties, rights, and obligations of this Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the Covenants and Restrictions established by this Declaration within the properties together with the Covenants and Restrictions established upon any other property, as one scheme. No such merger or consolidation, however, shall effect any revocation, change, or addition to the Covenants and Restrictions established by the Declaration within the properties.

Section 4. Easement for Access and Drainage. The Association shall have a perpetual non-exclusive easement over all areas of the surface water or stormwater management system for access to operate, maintain, or repair the system. Section 1. Membership. Every Owner shall be a Member of the Association.

Section 2. Voting Rights. Each Owner shall be entitled to one vote for each Parcel owned. Notwithstanding any provision to the contrary, the Declarant shall have the right to vote a majority of the votes cast at any meeting of the Members until such time as Declarant no longer holds title to 10% of the Parcels, or until such sooner time as Declarant waives the right to elect a majority of the Board of Directors by an instrument in writing. When persons, other than the Declarant, own 20% or more of the Parcels in the then-existing Property, they shall be entitled to elect one member of the Board of Directors. The Declarant shall have the right to elect one member of the Board of Directors at the annual meeting until such time as Declarant no longer holds title to any portion of the Property.

ARTICLE IV
SECURITY AND MAINTENANCE OF PUBLIC RIGHTS OF WAY

The Association may, although it is not obligated to do so, in its discretion, provide supplemental security for the Property, as well as to provide supplemental maintenance repairs and replacement of the public rights-of-way and appurtenances thereto that are on the Property, which can include, but is not limited to, landscaping, guard gate(s), paving, drainage, as well as street lighting. All work pursuant to this Article shall be paid for through assessments imposed in accordance with Article V hereof.

ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of a Lien and Personal Obligation of the Assessments. The Declarant covenants, and each Owner of any Lot or Unit shall, by acceptance of a Deed or by the execution of an Agreement for Deed, whether it shall be so expressed in such Deed or Agreement for Deed, be deemed to covenant and agree to pay the Association: (1) annual assessments hereinafter referred to as "annual assessments," (2) special assessments hereinafter referred to as "special assessments," and (3) specific assessments hereinafter referred to as "specific assessments." Such annual, special, and specific assessments shall be established and collected as hereinafter provided.

Section 2. Purposes of the Assessments: Maintenance, Operation and Repair of Surface Water Systems. The assessments levied by the Association shall be used for the improvement and maintenance of the common property (to the extent not provided for by municipal, county, or state and federal government), provide for the staff and expenses, if any, of the Architectural Control Board and the enforcement of the Declarations hereby imposed, to maintain the clubhouse, if any, and grounds thereof and such other services or property which the Association is authorized to provide.

The Association is hereby authorized and required to maintain the "Common Property," which is described on "Exhibit B" to the Declaration. The Association shall be responsible for the maintenance, operation, and repair of the surface water or stormwater management system. Maintenance of the surface water or stormwater management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance, or other surface water or stormwater management capabilities as permitted by the Southwest Florida Water Management District. Any repair reconstruction of the surface water or stormwater management system shall be as permitted or, if modified, as approved by the Southwest Florida Water Management District.

Section 3. Initial Annual Assessment and Determination of Future Annual Assessments. The annual assessments shall not be more than the sums calculated in accordance with the following schedule: initially, \$400 per Unit per year and \$50 per vacant Lot per year.

Except with regard to the initial annual assessment, the amount of the annual assessment shall be levied against each Owner by the board of directors of the Association, and the board shall make diligent effort to levy such assessment at least thirty (30) days in advance of the effective date of each change in the annual assessment. The annual assessment shall be based upon the annual budget adopted by the board of directors of the Association. The annual assessment period shall coincide with the Association's fiscal year. Except for the initial annual assessment, written notice of the amount of the respective annual assessment should be given to each respective Owner; but the failure to give or receive such notice, or both, shall not invalidate any otherwise valid assessment. The board of directors of the Association may determine the period for which the annual assessment applies and may provide that the annual assessment may be payable in equal monthly installments without interest until delinquent, and prepayable in whole at any time or times during the applicable discretion of the board of directors. In any event, the board of directors shall fix the date(s) that the annual assessment shall be due. The board of directors may modify the budget as necessary during the fiscal year, and fix a modified annual assessment in conformity therewith. If the board of directors of the Association shall fail for any reason to adopt an annual budget and authorize an annual assessment, (except with regard to the initial annual assessment), prior to the beginning of the new fiscal year, the budget and the annual assessment for the previous fiscal year shall remain the same as the previous fiscal year, and shall continue in effect until a new budget and annual assessment is adopted.

Section 4. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided herein shall commence on January 1, 2018 or as soon thereafter as possible. The amount of the assessment for the first year shall be \$400.00 per Unit and \$50.00 per each vacant Lot. Thereafter, the Board of Directors shall fix the amount of the annual assessment against each Lot or Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due date(s) and time for payment(s), which may be monthly, quarterly, semi-annually, or annually, shall be established by the Board of Directors.

The Association shall, upon demand and for a reasonable fee, furnish a certificate, signed by an officer of the Association, setting forth whether the assessments on a specific Lot or Unit have been paid. Persons acquiring Lot(s) or Unit(s) from the Declarant or its successors or assigns shall be subject to pay the pro rata share of the annual assessment imposed on the Lot or Unit.

Section 5. Special Assessments. In addition to the annual assessment, the Association may levy against any/several owners in any fiscal year, special assessments applicable to that year for capital improvements, extraordinary maintenance, repairs, or for the purpose of defraying, in whole or in part, known expenses which exceeded, or when mature will exceed, the annual budget on which the annual assessment was based.

Section 6. Specific Assessments. Any and all accrued liquidated indebtedness of any Owner to the Association arising under any provision of the Declaration may also be assessed by the Association against such Owner's Lot, Unit, or Parcel after such Owner fails to pay such indebtedness when due and such default continues for thirty (30) days after Owner has been provided with written notice.

Section 7. Collection of Assessment; Effect of Non-Payment of Assessment; Personal Obligation of the Owner; The Lien; Remedies of the Association. The Association shall collect assessments directly from the Owners. If the assessments are not paid on the date when due, then such assessments shall become delinquent and shall, together with such interest thereon and the cost of collection thereof, as hereinafter provided, thereupon be a continuing lien on the Lot or Unit against which each assessment was made. Any individual who acquires title to a Lot or Unit upon the death of an Owner or by operation of law shall be personally liable for unpaid assessments with respect to such Lot or Unit.

If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date when due at the highest rate permitted by law, and the Association may bring an action at law or in equity against the Owner personally obligated to pay the same or may record a claim of lien against the Lot(s) or Unit(s) on which the assessment is unpaid, or may foreclose the lien against the Lot or Unit on which the assessment is unpaid, or pursue one or

more of such remedies at the same time or successively, and there shall be added to the amount of such assessment, reasonable attorney's fees, and the costs of preparing and filing the claim of lien, the complaint in such action, and the costs of litigation thereon including appellate fees.

It shall be the legal duty and responsibility of the Association to enforce payment of the assessments hereunder.

Section 8. Subordination of the Lien to Mortgages. The lien of the Assessment provided for in this Article V shall be subordinate to the lien of any institutional first mortgage recorded prior to the recordation of a claim of lien for unpaid assessments, and shall be subordinate to the Declarant's position as mortgagee by virtue of Declarant's land sales transactions by (a) agreement for deed, (b) mortgage deed, and (c) deed, note, and mortgage. An institutional lender is defined as a State or Federal bank or savings and loan association, an insurance company, trust company, savings bank, or credit union. A mortgagee in possession, a receiver, a purchaser at a foreclosure sale, or a mortgagee, including the Declarant (who is in a mortgagee position by virtue of its land sales transactions by (a) agreement for deed, (b) mortgage deed, and (c) deed, note, and mortgage), that has acquired title by deed in lieu of foreclosure, cancellation or other termination of interest, and all persons claiming by through or under such purchaser or mortgagee shall hold title subject only to the liability and lien of any assessment becoming due after such foreclosure, conveyance in lieu of foreclosure, cancellation, or other termination of interest. Any unpaid Assessment which cannot be collected as a lien against any Lot or Unit by reason of the provision of this Section, shall be deemed to be an assessment divided equally among, payable by, and a lien against all Lots and Units including the Lot or Unit as to which the foreclosure (or conveyance in lieu of foreclosure) took place.

Section 9. Fines; Fining. There is appointed for the purposes of and with the powers hereafter expressed, a Fining Committee, made up of no less than three (3) Owners appointed by the Association's Board of Directors, who are not officers, directors, employees or the spouse, parent, child, or sibling of any officer, director, or employee of the Association. In the event of the death or resignation of any member of said Fining Committee, the remaining member(s) shall have the full authority to approve or exercise the powers and authority of the Fining Committee, as hereafter provided or to designate a representative with like authority until such time as the Board of Directors appoints a new member to the Fining Committee. Neither the members of the Fining Committee, nor its designated representative(s), shall be entitled to any compensation for service performed to this Covenants. Nor shall they incur any liability for their actions or their failure to act.

The Association may levy a fine against any Owner for each violation of any provision of this Declaration, the By-Laws, or any rules or regulations promulgated by the Board, said fine(s) shall not exceed the greater of \$50.00 for the first offense, \$100.00 for a second similar offense. Prior to imposing any fine, the Owner shall be afforded an opportunity for a hearing before the Fining Committee after reasonable notice to the Owner of not less than fourteen (14) days, which notice shall include (i) a statement of the date, time and place of the hearing, (ii) a statement of the provisions of the Declaration, By-Laws, or rules and regulations which have allegedly been violated, and (iii) a short and plain statement of the matters asserted by the Association. At the hearing, the Fining Committee shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred. The Owner shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the Fining Committee. If the Owner fails to attend the hearing as set by the Fining Committee, the Owner shall be deemed to have admitted the allegations contained in the notice to the Owner. If the Fining Committee determines that a violation occurred and warrants the imposition of a fine, it shall provide the Board of Directors and Owner with a Notice of Imposition of Fine. The Board of Directors may at the next duly called meeting of the Board of Directors, but not less than fourteen (14) days after providing Notice of Imposition of Fine to Owner, present a motion to impose the fine. No fine may be imposed unless it is approved by a majority of a quorum of the Board of Directors. Any fine imposed by the Board of Directors shall be due and payable within ten (10) days after written notice of the imposition of the fine. Any fine levied against an Owner shall be deemed a Specific Assessment, and if not paid when due, all of the provisions of this Declaration relating to the late payment of General Assessment shall be applicable. Notwithstanding the foregoing, the Association shall not have the right to impose any fine against Developer or its related designees.

Section 10. Declarant Exemption. Notwithstanding anything to the contrary, the Declarant or its successors or assigns shall not be obligated to pay to the Association any assessments, fees, or fines upon any of said Lots or Units owned by the Declarant which would otherwise be subject thereto. The Lots owned by the Developer or its successors or assigns may become subject to assessment upon the first conveyance of each such platted lot.

Only passenger automobiles, vans and light pick-up trucks, as hereafter defined, may be parked overnight or adjacent to the Lot or Unit, and then only as permitted by this Declaration. Section 8. Easements. Easements for installation and maintenance of utilities and for ingress and egress are reserved as shown on the recorded plat of the properties. Public and private utility companies servicing the properties shall have perpetual easements for the installation and maintenance of water lines, sprinkler lines, sanitary sewers, storm drains, gas lines, electric and telephone lines, cable and conduits, television cables and conduits under, over and through such portions of any Lot or other Parcel. An easement is hereby reserved unto Declarant over the front ten (10) feet and over the side and rear five (5) feet of each platted lot for utility installation and maintenance where an easement has not previously been established by the Declaration on the plat of the properties.

Notwithstanding any provision to the contrary, the Declarant or its successors and assigns may approve the erection of any sign or signs at any of its properties or buildings located throughout the Property.

Section 10. Parking. Only automobiles, vans constructed as private passenger vehicles, and pick-up trucks used as private passenger vehicles may be parked within the Property overnight without the prior written consent of the Association. Notwithstanding the foregoing, the Developer may place a commercial vehicle, truck, or trailer on the Property at any time to aid in its construction and/or sales activity. No more than two (2) personal vehicles may be parked overnight in the driveway of any lot or Unit. No Owner shall permit on-street parking by themselves or their guests for more than five (5) hours during daylight hours. No parking is permitted on vacant Lots or Parcels, except by the Owner of said Lot or Parcel. Commercial trucks, trailers, campers, mobile homes, boats, boat trailers, or recreational vehicles must be stored in fully enclosed garages with the doors closed and may not be parked in any driveway or upon any Lot, Unit, or Parcel; provided, however, that it shall not be a violation of this provision for an Owner to park, in Owner's driveway, a camper, recreational vehicle, or a boat on a boat trailer, for a period of time not to exceed twenty-four (24) hours. No motor vehicle or boat repair work shall be conducted on any portion of the property. No ATV vehicles may be used on the Property without the written consent of the Association.

Section 11. Changes in Lot Elevation. No changes in the elevation of any Lot shall be made which will interfere with the drainage of, or otherwise cause undue hardship to the adjoining Lots or Units.

Section 12. Owner Maintenance. The Lots and Units and improvements thereon, whether vacant or occupied, shall be maintained in a neat and attractive condition. Upon the failure of any Owner to maintain his property and the improvement thereon (whether vacant or occupied) in a neat and attractive condition, the ACB, its authorized agents or successors and assigns may, after ten (10) days notice to such Owner, enter upon such property repair, maintain, and restore the improvement and to have the grass, woods, and other vegetation cut, debris removed and the property returned to the prevailing standards of appearance of the community. The ACB, its authorized agents or successors and assigns is hereby authorized to enter upon the property to conduct such actions when and as often as the same is necessary in its judgment to maintain the property in a fashion contemplated by this Declaration. The Owner of any such property shall be personally liable to the Association for the cost of any such repairs and maintenance, which costs shall be added to and become a part of the assessment, to which said Lot or Unit is subject.

Section 13. Landscaping. Proper landscaping complements not only the individual Lot or Unit, but also the overall appearance and beauty of the subdivision; therefore, a minimum of 2% of the construction costs shall be spent by an Owner in the subdivision for new landscape plant materials for each single family residence. The proposed plan for landscaping will be submitted to the ACB at the time of compliance of Article VI, Sections 2 and 3 herein.

Section 14. Underground Utilities. All utility service such as, but not limited to, electric, telephone, cable television, and gas running from their main distribution line to individual homes shall be underground only.

Section 15. Roof Material. No residential structure shall be constructed or maintained upon any Lot, unless the roof of such structure shall be constructed of tile, or other similar material.

Section 16. Exclusive Residential Contractor. Citrus Hills Construction, LLC, a Delaware limited liability company, its successors, assigns, and/or its express designees, if any (herein "CHC"), shall be the exclusive residential contractor, or builder, upon the Property. No Dwelling Unit may be constructed upon any of such Lots, Units, or Parcels unless constructed by CHC.

Section 17. 55+ Community. In accordance with Subpart E, Housing for Older Persons, Section 100.304 et seq. of the Federal Fair Housing Act, Halls Reserve subdivision, is designed, promoted, marketed, and restricted as a 55+ community. It is intended that Halls Reserve subdivision be operated, maintained, and managed for occupancy by older persons. Accordingly,

eighty percent (80%) of the Dwelling Units shall be occupied by at least one (1) resident who is 55 years of age or older. The remaining twenty percent (20%) of the Dwelling Units are not required to meet the 55-year age requirement.

ARTICLE VIII **GENERAL PROVISIONS**

Section 1. **Amendment.** In addition to any other manner herein provided for the amendment of this Declaration, the Covenants, Conditions, Restrictions, and Easements, this Declaration may be amended, changed, added to, derogated, or deleted at any time and from time to time, upon the execution and recordation of any instrument executed by: (1) Declarant, at any time which it holds title to one (1) or more of the Units/Lots of the Property subject to this Declaration, as it may be amended from time to time; or, alternatively, (2) Owners who collectively hold not less than two-thirds of votes cast, upon a quorum, of the membership in the Association, provided that, so long as the Declarant is the Owner of any Property affected by this Declaration, the Declarant's consent to such amendment, change, addition, derogation, or deletion to these Restrictions must be obtained. Every amendment made pursuant to this Section 1, shall be effective upon recording in the public records, and shall apply to all of the Lots and Units within the Property whether or not previously sold or conveyed.

Any amendment to this Declaration which alters any provision relating to the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portions of the common areas, as required by law, must have the prior approval of the Southwest Florida Water Management District.

Section 2. **Duration.** The Covenants and Restrictions of this Declaration shall run with and bind the land, and shall inure to the Owners, their respective legal representatives, heirs, successors, and assigns, for a term of thirty (30) years from the date hereof, after which time they shall be automatically extended for successive periods of ten (10) years each unless an instrument signed by the then members, having sixty percent of all the lots shown on the aforesaid plat, agreeing to change such Covenants and Restrictions, in whole or in part, shall have been recorded in the Public Records of Citrus County, Florida.

Section 3. **Notice.** Any notices required to be given to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly made when personally delivered or mailed, postage paid, to the last-known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 4. **Enforcement.** The Declarant, the Association, an Owner or the ACB may enforce these Covenants and Restrictions by proceedings at law or in equity against any person or persons violating or attempting to violate any Covenants or Restriction, either to restrain the violation or to recover damages and against the Lot or Unit to enforce any lien created by these Covenants. Should the Declarant, the Association, an Owner, or the ACB bring any action or suit, either at law or in equity, or both to enforce these Covenants and Restrictions, or should the Declarant bring suit against the Association to compel same to perform its obligations hereunder, it shall be entitled, in addition to all other relief provided by law, to an award of reasonable attorneys' fees and costs, including all costs incurred at the appellate level. Failure by the Association or by any Owner to enforce any covenant, restriction, rule, or regulation will not constitute a waiver of the right to do so at any time.

The Southwest Florida Water Management District shall have the right to enforce, as required by law, by a proceeding at law or in equity, the provisions contained in the Covenants and Restrictions which relate to the maintenance, operation and repair of the surface water or stormwater management system.

Section 5. **Severability.** Invalidity of any one of these Covenants or Restrictions by judgment or other court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 6. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the feminine and the neuter, and vice-versa.

Section 7. Effective Date. The Declaration shall become effective upon its recordation in the Public Records of Citrus County, Florida.
