Club News

By Anthony Lambert, General Manager

We now say goodbye to 2021 and begin the New Year filled with excitement and enthusiasm. January marks the start of our busy season throughout the Club and we look forward to seeing all the members engaging in so many activities and events.

Our managers and staff have been planning and preparing for what promises to be another outstanding year for our members' enjoyment. We do our best to keep you busy and give everyone plenty of opportunities to get out and get involved in whatever interests you. We have so much to enjoy and hope that you start the New Year by making the Club a part of your daily entertainment, giving us the chance to keep you happy, active and healthy.

With so much available to our members, we do our best to keep you connected and make

sure you do not miss anything. That is why we completely redesigned and overhauled our website and phone app – to give you the most up-to-date information for everything throughout the Club.

If you haven't downloaded the app or are using the website regularly, we sincerely urge you to do so. They are very informative and are filled with everything you need to stay on top of all of the Club's activities. They are easy to navigate and we are confident that once you spend some time using them, you will love them and refer to them all the time.

We want to thank every one of our members and wish you and your family a very Happy New Year.

We looking forward to seeing you soon.

Club Life

By Lisa Malone-Carmain, Club Marketing Director

Have you been checking out the blogs on the Club's website home page? They are updated often and always include the following month's events calendar and Save the Date, as well as interesting and informative articles. Be sure to check them out — you'll be glad you did!

Don't forget the Club's amenities have free Wi-Fi available, so you can easily "check-in" on Facebook when you are visiting there and post pictures of you and your friends or your awesome meal. I may even message you to ask if I can share them in the upcoming newsletter!

As a reminder, the Administration Office goes to lunch from 12-1pm daily. If you want to drop off a POA payment (ONLY POA PAYMENTS) during that hour, you can leave it under the door. If you would like to speak with someone directly, please come in before or after that time, or call 352-746-6060

to schedule an appointment.

Did you know that at any time you can send questions or feedback to any areas of the Club from the comfort of your home? Simply visit our Club website clubhappenings.com, and go to the Contact Us section to send a message. Or you can email any of the managers directly from the Club Contacts on the website or the inside cover page of the newsletter. The staff has been working hard on member events and themed dinner ideas to keep things fresh and fun for you! If you have any ideas or input for different kinds of events or dinner themes, please send us a message. We look forward to providing many new and innovative activities and dining options, as well as exciting golf, tennis and fitness offerings for you in the year ahead.

We are looking forward to a fun-filled season and a great year ahead at Citrus Hills!

Activity Club Week

Looking to join an activity club? Interested in starting a new club? Need to update paperwork for your current club? We want to help connect you to the club that's right for you!

The Activity Center will have tables with displays set up for those looking to join a new Activity Club. Come in to discover which clubs are seeking new members and if there's any interest in starting a new club. We have a few ideas to share!

Social Events & Entertainment

By Hope Selander-Haag, Activities Director

The New Year brings a lot of excitement and new beginnings for people around the world. One of my favorite New Year traditions is from Japan, called Oshogatsu. The family celebrates by cleaning and decorating the entire house together. I enjoy a nice, organized home. So this tradition has made its way to my house for years, although my husband and children might not agree with me. I'd love to hear what your New Year traditions are!

With the New Year on our mind, we're thrilled to bring you an exciting 2022 year with tons of events, activities, classes and possibly some travel towards the fall. I have been listening to all of your suggestions since I've started, and I really appreciate hearing what everyone would enjoy doing. My door continues to be open for such, and I look forward to getting to know more of you throughout the year.

On January 3rd-7th, we will be hosting our Activity Club Week

in the Activity Center. For those interested in joining an activity club or would like to start a new club, please stop by to see us any time between 9am-5pm during that week. We will have information for you and would love to hear what new club activities you might be interested in forming. This is a great time for you to get a tour of the Activity Center and connect with other groups currently facilitating activity clubs!

Be sure to visit the Activity Center for event flyers, check the online Connections newsletter, check the event calendar on the Club's website, view events on the app, and look for event posters throughout our restaurants. We would love to see more of our members participating in all of our great events. I am looking forward to seeing you throughout this New Year!

Restaurant

Sensational Skyview

By Tara Beauregard, Restaurant Manager, and Justin Bowman, Executive Chef

"May your troubles be less,
your blessings be more, and
nothing but happiness come through
your door." Happy New Year's to all of
our members on behalf of the staff at
Skyview!

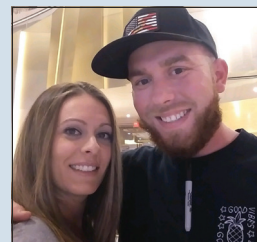

After a busy holiday season, take some
time to relax, put away the cookbooks
and the dishes, and let Skyview take care
of all your dining needs. We have so many
great upcoming events for you in January
and February. You have all been asking
... so let me be the first to let you know
that Sunday Brunch is BACK on January
16th! Along with brunch, we are also
bringing back our other crowd-pleaser,
the Traditional Turkey Buffet on January
27th. If these two events are what you
have been waiting for, we recommend
you call to book your reservation early,
or you will miss out! Skyview is serving
lunch Wednesday through Saturday from
12-2pm. It's always nice to enjoy sitting
outside on the veranda looking over our
beautiful golf course for an afternoon
bite. Wednesday night is always a great
night to get out and let loose. Enjoy
some good music with friends at Tunes
& Bites every Wednesday night. Calling
all you Mad-Hatters, your tea time will
be on January 21st, so don't be late for
this very important date!

Every Thursday
we feature a
themed dinner
or Steak Night.
The toppings for
Steak Night are
always changing,
so if you love a
good steak, come in for the opportunity
to try a new topping on your delicious
entrée! Also, don't miss Pub Night on
January 13th for a menu with a little
European flair.

You definitely won't want to miss out
on our popular Trivia Night on February
8th and 22nd. We're taking reservations
now for both nights. And ooh-la-la! Hold
onto your berets because we're bringing
back our delicious French Night on
February 10th.

Valentine's Day is almost here. Treat
your someone special to a romantic
dinner and enjoy the beautiful vocals
of Miranda Madison, and fall in love all
over again.

There are many more events planned,
so keep an eye out in the daily emails,
the website, check the Club calendars
and with us at the restaurant, as well
as Connections for your next Skyview
experience. Have a great day, we will
see you soon.

Grille & Tiki Tasty Tidbits

By Michael Bick and Jonathan Chavez

Happy New Year to everyone! We hope your holiday season was merry and bright and filled with the warmth and love of family and friends. Our New Year's resolution is to continue to provide our members with the utmost excellence and quality service.

As we welcome in 2022, we also welcome the return of many of our seasonal members. We highly recommend, during the next few months, that you make reservations for the Grille to ensure you get a table at some of our more popular special menu nights.

We also want to remind everyone of our seating policy in the Tiki Bar on our Tiki Band Nights. We have tried several different methods over the years hoping to be fair to everyone. The seating policy is first-come, first-served. We do not take reservations on Monday nights, and we don't start seating for Band

Night until our lunch hour ends at 4pm. If you come in to hold a large table for your guests and your entire party is not present by 4:30pm, you will be asked to give up any empty tables and seats for other members that may be waiting.

The final week of Football Frenzy in the Tiki Bar is January 9th. Be sure to support your favorite NFL teams as they compete in the playoffs for a spot in the Super Bowl.

Don't forget your sweetheart on Valentine's Day! Be sure to make your reservations early so you won't miss out on treating your loved one to a romantic Valentine's Dinner in the Grille on Sunday, February 13th. Jack Dempsey will be there to entertain with live music from 5-8pm.

As always, we look forward to serving you!

BellaVita Spa

BellaVita Fitness & Spa

By Lee Thompson, Director of Spa & Fitness

A good nutritional diet, along with both strength training and cardio, are all key elements for a healthy lifestyle. The Club has recently put in a fabulous new functional training area at BellaVita. Equipped with two TRX stations, a five-station cable-based training system, and seven Nautilus Human Sport pieces, this area offers members everything they need in a functional cable-based, strength-training workout, which can also be easily incorporated into any other workout with other equipment.

Here are 10 reasons why strength training should be a part of your workout:

1. Strength training preserves muscle mass during weight-loss periods.
2. Strength training elevates your metabolism; it can give you up to a 15% increase in your metabolic rate.
3. Strength training increases bone density, which is especially important for women.
4. Strength training can help with fighting depression.

5. Strength training can help with sleep difficulties, making you feel more restful at night.

6. Strength training reduces your risk of diabetes by increasing glucose utilization in the body. By using sugar for energy, exercise will help to reduce your blood sugar levels.

7. Strength training will lower your blood pressure. The stronger your heart, the easier it is to pump blood through your body, which puts less pressure on your arteries.

8. Strength training can help us age more gracefully. Muscle mass decreases with age, which causes the skin to sag and lose elasticity. So, fight back on muscle loss and maintain a more youthful look.

9 & 10. Most importantly, the last two reasons for strength training are that it will, without a doubt, improve your quality of life and it will make you a much happier person.

Tennis Talk

By Bruce Payne, Director of Tennis

Happy New Year from Skyview and Citrus Hills Tennis Centers. We hope your holidays were filled with family and fun. We have a new tennis committee at Skyview Tennis Center. I will meet with the new members early in January to get started on a promising new year of tennis. The committee members are Chris Jarzyna, Terri DeMartino, Steve Simonelli, and Chairman Larry Ennett. Larry will also serve on the Advisory Board to represent tennis to management. One of the committee's first assignments will be to determine which of the internal programs stymied by COVID can make their way safely into the schedule at Skyview. On behalf of the membership, let me thank our committee members for the work that lies ahead.

One set of USTA Leagues has just ended and another is about to begin. Our 6.5, 50 and over combo team captained by Suteera Joyce and Margie McLellan won the Marion District in December

and has qualified for the Florida Sectional at the USTA National Campus in Lake Nona beginning February 4th.

Congratulations on a great season and good luck at sectionals.

Skyview will feature nine teams in the winter USTA season. We will have three, 65 and over teams and six, 55 and over teams competing in district play. I'm really looking forward to seeing these teams in action because competition in our district is always strong. Good luck to our captains and players representing Skyview Tennis.

At the mid-point of the 2021/2222 season, Sky Hi and Skyview Advantage are tied atop the CADL leaderboard with 38 points, followed closely by Pine Ridge with 37. Both Skyview teams have won this league in recent years and are in the hunt again this season. Thursdays wouldn't be the same without CADL.

Skyview Golf

By Parker Hewitt, Head Golf Professional

I'd like to start the year off by recognizing an amazing accomplishment by one of our longest-tenured employees, Don Bazin. This past December marked Don's 20th year with the company! Many of you know Don, and if you've played Skyview, he's probably helped you with your bag or shared a story along the way with you. Don has been a key part of Skyview's operation and has seen the course grow from its initial inception in 1999 when it was only a 9-hole course. So, the next time you play a round here at Skyview, make sure to say hello and congratulate him on his 20 years!

We've got some exciting tournaments slated for 2022! The return of the Ladies' Member-Guest will be happening on February 10th, after a several-year hiatus. In that same vein, our Men's Member-Guest will return on April 1st and 2nd, after a two-year absence. I'm thrilled we were able to get both events back on the calendar and look forward to our members getting the chance

to show off Skyview to their guests. I've been in talks with the FSGA since early spring last year, and I am also excited to announce we have officially agreed to host a two-day FSGA event in mid-March. We will be doing a "press release" as we get closer to the date, which will have more information regarding spectating and entry.

In closing, I hope everyone had a great holiday and a happy and healthy end to 2021. I would like to thank our members for their generosity during the holidays. It puts a smile on our staff members' faces and lets them know they are appreciated. We couldn't do it without them! We are certainly living in unprecedented times, almost two years removed from the first COVID cases in the United States. We are hopeful to return to some sense of "normalcy" in 2022 and look forward to seeing you here again soon for your next round at Skyview. Here's wishing everyone a happy and healthy 2022!

Oaks & Meadows

By Wayne Larsen, PGA, Head Golf Professional

Happy New Year! Our final Golf Mixer of the year was a huge success. We had 144 players participate in the St. Nick Open on December 11th. The spirit of giving was in full display as each player (and quite a few non-players) brought in an unwrapped toy to benefit the Marine Corps Toys-for-Tots program. It was great to see the donation box completely filled and overflowing with toys for deserving young children to enjoy for the holidays. The winners of the event can be found in the Fairway Feats section of this Connections.

It is my pleasure to announce that, effective January 1st, 2022, Stephanie Rodney will be assuming a new role and will be taking over the administration of the Social Leagues at Citrus Hills. Over the past two years, Stephanie has proven herself to be a tremendous asset to our Club. In addition to her duties as the Club's Retail Merchandiser, Stephanie has most recently been charged with administering the Men's and Ladies' Golf Associations at Skyview. Stephanie has extensive knowledge of our Golf Genius League/Tournament software program and I am confident her transition into her new role at Citrus Hills will be seamless. In her

new role, Stephanie will also be assisting me in running our Men's and Ladies' Golf Associations, Monthly Mixers and Championship Tournaments. Having Stephanie in this crucial role will enhance our leagues and tournaments and allow me to focus on the daily golf operations and maintenance of the Oaks and Meadows golf courses. Please be sure to welcome Stephanie the next time you are in the Citrus Hills Pro Shop.

Both golf courses are in excellent shape. Our Superintendent John Rustek and his crew work tirelessly to provide the best possible playing conditions for our members, residents and guests. Please do your part to assist these efforts by using cart paths whenever possible, especially around green complexes, filling divots, repairing ball marks, and reminding those in your group to do the same.

On behalf of the staff, I would like to thank you for your generosity during the holiday season. It pleases me greatly to know our staff's daily efforts to provide the highest level of service are appreciated by our members.

A Note From Eric Abel

Citrus Hills General Counsel

I thought it would be a good opportunity to tell homeowners about new paint colors going on at the Terra Vista entrance. These new color schemes will be flowing throughout our communities, so hopefully you will notice the updates in the area very soon!

We have recently received reports of numerous vehicles speeding, disregarding traffic rules, not stopping at stop signs, and driving discourteously.

Our vibrant communities are continuing to grow, our snowbirds are back and many people have family and friends in for the holidays. The best way to keep our neighborhoods safe is to be more mindful and courteous when driving through our neighborhoods.

Please make an effort to watch your speed, be on the lookout for pedestrians, bicyclists, and golf carts, and come to a complete stop at all stop signs.

Golf cart drivers should also make an effort to be more cognizant of their driving habits and surroundings and be on the lookout for others sharing the multi-use paths and roads.

Safety for residents, members, workers, and visitors within our communities is very important.

Thank you for your assistance with this important safety issue.

As a reminder, prior to making any exterior change or improvements to your home or property, you must submit a Request for Change (RFC) to your regional and master association's Architectural Control Board (sometimes called Architectural Control Committee or Architectural Review Board) and receive approval before beginning the project. These forms can be found under the POA section of the www.clubhappenings.com website. If you have questions related to the architectural review process, please feel free to call the POA office.

We have periodically received questions about topics that POA members have seen on various social media platforms. Oftentimes, it is difficult for users to determine the veracity of information posted on these sites, or whether it accurately represents the facts. This can lead to misinformation, confusion, frustration, and hostility between neighbors. If you have questions related to your POA, please feel free to contact us directly, at 352-746-6060. It is important to us that you have the correct information to make an informed decision.

Citrus Hills Golf & Country Club Supports Local Veterans

The Citrus Hills Veterans Planning Committee recently raised \$20,763 that was donated to the United Way Mission United fund to support local veterans and their families here in Citrus County. The veterans group plans and organizes a Veterans Day golf tournament each year at Skyview at Terra Vista followed by a dinner dance in the evening that focuses on paying tribute to our veterans. From left to right: Meghan Pitzer with United Way, Mark Bodenheimer, Buzz Fredrickson, Jenny Heise, Michael Heise, Brad Huotari and Tom O'Brien with United Way. Citrus Hills Veterans Committee chair Buzz Fredrickson noted that this year's dollar amount will be tough to beat next year but that will certainly be the committee's objective.

10 Tips To Keep Your Vehicle In Top Shape

The colder months are a great time to make sure your car is properly cleaned, maintained and in tip-top shape. Here's how to keep your vehicle looking and running sharp.

- 1. Change the oil.** When was the last time you got an oil change? If you don't know, it might be time to get one, or at least check your dipstick or sticker to plan ahead for your next one. Changing your vehicle's oil is the key to keeping the engine running well. Change your oil yourself or take it in to a service center and use the oil that is best for your car.
- 2. Take care of the tires.** Routinely check your tire pressure, monitor wear and rotate the tires. Avoid a flat tire by rotating tires every 5-10,000 miles. Inflate and deflate tires as necessary to ensure the best gas mileage.
- 3. Test all lights.** Thoroughly inspect each bulb in your car. Replace bulbs if they are burnt out or dim.
- 4. Check fluids.** Check yourself or have a professional look under the hood of your car. Make sure there is enough oil, coolant, power steering fluid, brake and transmission fluid in the vehicle. If you spot a leak, get it repaired as soon as possible.
- 5. Check breaks.** If you hear a squeaking noise when you brake, it is likely time to install a new set of breaks. Have your brake pads inspected and pay attention to the way your car brakes. If you feel or hear anything abnormal, have it checked by a professional.
- 6. Change engine air filter.** Your vehicle's air filter should be changed once a year for optimal air quality while driving. Change it as needed to avoid allowing dirt and particulate into the engine.
- 7. Replace wipers.** Inspect wiper blades for functionality and replace them as needed. Especially ahead of the rainy season, replace any worn or damaged blades to ensure visual safety while driving.
- 8. Protect from harsh weather.** Florida's heat can be damaging to your vehicle. Ensure to minimize sun exposure to avoid interior plastic and seat damage, and exterior paint damage. Park in the shade or under covering, and consider using a window deflector.
- 9. Clean.** Detail your vehicle often to remove grime, germs and hazardous road materials. Vacuum, wash and wax as needed.
- 10. Fix problems promptly.** Don't wait to go to the mechanic if something seems off with your vehicle. This will often save your car from further damage and costs.
