Citrus Hills Golf & Country Club

Club News

By Anthony Lambert, General Manager

It's great to feel the incredible springtime weather and enjoy what may be considered the most comfortable of all seasons. We have a lot of exciting news to share with you about some extraordinary amenity additions and improvements.

We recently announced that we would be building a luxury resort pool and lifestyle center at the Davis Reserve community exclusively for our Citrus Hills members. This will be a fantastic amenity that we are sure you will enjoy. Please visit any main facilities at the Country Club to see the beautiful rendering of this upcoming facility.

We are also very happy to announce that we will be completely remodeling the Rockwood Park area. This comprehensive renovation will transform the space into the Rockwood Central Sports Plex. We will have 16 pickleball courts, an expanded dog

park, platform tennis courts, bocce ball, sand volleyball, beach tennis, croquet courts, corn toss, walking paths, and a new children's playground.

The facility will also have a pickleball pro shop, restrooms, viewing areas, a relaxing pavilion, and ample designated parking for cars and golf carts. This amenity will transform the entire area, making it a central location for everyone to participate in any fun activity they choose. We will soon have a large rendering available to view this exciting new addition to the Club. On the following page, you can see a smaller rendering of both of our newest additions coming soon!

As we progress along the way, we will keep you updated with any details and information.

Club Life

By Lisa Malone-Carmain, Club Marketing Director

Did you know we have guides available to help you find what you are looking for on the website and mobile app? You can find these guides in the article section of the website's home page (just scroll down); it's under the event calendar. If you don't have the Club's mobile app downloaded yet, it's easy to find in the app store by searching "Citrus Hills." Be sure to turn your notifications on. Unlike most apps, we will only message you a few times a month as a reminder about an event or if there is an important notification we need to alert you about immediately.

Have you noticed that we have been posting local events on our Facebook page every Friday? It's a great way to get out and see the area and enjoy our beautiful Florida weather. If you aren't already friends with us on Facebook, send us a friend request! Just search for Lisa Citrus Hills. Since our events are not open to the public, you'll need to be a friend to see our posts. Once you send a friend request, I will message you asking for

your member number (or where you are building a house). That is to confirm that you are a real person and not a fake or copied profile. As soon as you respond with that information, I'll add you to our member list, and you can see all of our posts immediately!

As a reminder, please send me your pictures of you and your friends enjoying the Club, events, meals, and other activities by emailing them to: lisa@citrushills.com. We can't be everywhere, so please share!

I know many of you don't open the Club's daily emails every day, so I wanted to let you know that at the end of every month, we email the following month's event calendar and restaurant event save the dates, as well as the list of entertainment at the Grille, Tiki Bar and Skyview restaurants. Be sure to watch for these emails so you can keep them handy and never miss out on any upcoming events!

BellaVita Fitness & Spa

By Lee Thompson, Director of Spa & Fitness

How much are you getting out of your workout session? A lot of members have been working out for years and know exactly what to do to tweak their workouts, challenge themselves, and always have fitness goals in place. If you are not one of these people, maybe you can benefit from having someone assist you with your routine going forward. You may want to consider hiring a Certified Personal Trainer for either short term or permanently. Personal trainers may not be for everyone, but a trainer does provide certain benefits that you can't get on your own. Trainers provide professional motivation to stick with a consistent exercise program. Personal trainers also provide structure, accountability and help you develop a lifestyle that encourages fitness and health.

We have many personal trainers on staff available at both BellaVita and PrimoVita for an hourly rate of \$45 for 1-9 sessions or \$40 with the purchase of a 10-session package. Some trainers even

offer half-hour sessions for \$25. The results will absolutely justify the price! We suggest reading through all of the trainers' profiles on our website to get a better understanding of who they are and what they may specialize in. Visit the website at www.clubhappenings.com, find the "spa and fitness" tab, click on "fitness staff" in the drop-down window, and then scroll down to view the trainer's profiles. If you have further questions about a trainer or who might be the best for you, contact Lee or Evan at BellaVita at 352-746-1241. For all new members, we offer complimentary orientations and assessments with our personal trainers. Assessments will test the five components of fitness; blood pressure, strength, body composition, flexibility, and cardio.

Whatever your fitness goals are, remember that we are here to help you in any way we can. Enjoy your healthier lifestyle!

Tennis Talk

By Bruce Payne, Director of Tennis

The date for our next tennis social is Sunday, April 2nd. The social will consist of two hours of mixed doubles round-robin tennis between 1 and 3pm. For those who wish to keep the party going, we will relocate to the Tiki Bar, where you can order off the menu. Tennis is reserved for Skyview Tennis members, but houseguests and non-playing spouses are welcome to join us for refreshments. We do need a precise number of players and diners, so please register for tennis and/or refreshments at the Skyview Tennis front desk. Please be sure to include any guests who intend to join us at the Tiki Bar.

March will be our busiest month of the year at Skyview. We have eight USTA League Teams, which started in January, completing district competitions by the end of the month. We have a

new batch of leagues beginning mid-March, overlapping the first set of leagues by a week or two. The new leagues will consist of 55+ Mixed Doubles and 40+ Men's and Women's Adult Leagues. Skyview Tennis has had noteworthy success in mixed doubles leagues in the recent past.

The hard courts at Citrus Hills will be resurfaced as soon as our favorite contractor can fit us into his schedule. We'll say goodbye to the U.S. Open blue and welcome in a new color. Since colors aren't my strong suit, I'll defer to those with superior color acumen. We recently replaced the nets at Citrus Hills, so the new surface will complete the facility facelift. We're gearing up for a wonderful spring of tennis!

Skyview Golf

By Wayne Larsen, PGA, Director of Golf

I am happy to welcome David Knighton to the golf staff at Skyview. David was a longtime employee and, most recently, the Head Golf Professional at Sugarmill Woods Golf and Country Club before it underwent an ownership change. David is a seasoned, highly experienced golf professional who will be in charge of all our golf leagues and events at Skyview and assist in the daily golf operation. Please welcome him to our community the next time you are in the Skyview Pro Shop.

Skyview began its season-long Men's Match Play Championship last month. John Elsley and Fred Eicher shot the two lowest scores in the stroke play qualifiers and earned first-round byes heading into the Match Play rounds. As of this writing, Al Burgun, Bruce Browman, Dennis Brugger, Fred Eicher, John Elsley, Bob Gardner, Bill Hatfield, Mike Heise, Al Masden, Bobby Mauro, Bill Moran, Tim Roche, Ken Rudin (defending

Champion), Mike Sabock, Jim Stephens and Leon Wolfe have won their first-round matches.

April will be a busy time on the Skyview Tournament Schedule as we will conduct the Skyview Ladies Golf Association Member-Guest (April 12-13), the Men's Partner Better-Ball Championship (April 17-18), and the Spring Ryder Cup Matches (April 24-25).

All of our Club's courses are in excellent shape. Our Superintendents, David Hoggard and John Rustek, and their crews work tirelessly to provide our members, residents, and guests with the best possible playing conditions. Please do your part to assist these efforts by using the cart paths whenever possible, especially around green complexes, filling divots, repairing ball marks, and reminding those in your group to do the same.

Oaks & Meadows

By Todd Bleidner, PGA, Head Golf Professional

The Oaks and on the Meadows courses are looking great! John Rustek and his crew have done a fantastic job overseeding and maintaining the courses. Please let the guys on the Oaks will be an Alternate Shot. The Men's and Women's Club Championships will be held together on April 18th and 19th with a double tee start. These events, along with our social leagues and outside events, will keep all of us very busy this spring. Please call the Pro Shop for any additional information about any of these events or upcoming tournaments you see listed on the website.

"A shot that goes in the cup is pure luck, but a shot to within two feet of the flag is skill."

~Ben Hogan

The next few months are some of the busiest of the year. All of the golf leagues are filling up, along with the Mixers in March and April. The Citrus Hills Couples Club Championship will be on March 30th and 31st. This year's event will have two formats. The first day

Neighborhood News

By Cyle Moses, General Counsel

As many of you know, we have recently announced our newest Club amenity. A large, resort-style pool will be built in our brand-new development, Davis Reserve (West of Brentwood). We have received very positive feedback on this addition and look forward to bringing this "online" for you all to enjoy. We will have several additional updates for you in the near future regarding other areas of the community; as always, keep an eye on this article.

I would like to include a reminder of all of our developer-controlled POA 2003 annual meetings and their respective dates. You will receive a notice in the mail with the date, time,

and location.

1. Terra Vista POA: February 15th
2. Brentwood Farms POA: March 9th
3. Belmont Hills POA: March 21st
4. Griffin View POA: April 12th
5. Halls Reserve POA: April 12th
6. Nash Crossing POA: April 12th
7. Roberts Ridge POA: April 19th

My last two articles included information regarding Waste Management and our members (in Terra Vista, Belmont Hills, and Brentwood) receiving incorrect invoices. We have had a lot of success obtaining credits for our members

that were not being billed per our bulk services rate. If you are in Terra Vista, Belmont Hills, or Brentwood Farms, you should be receiving the bulk service rate, and your invoice should be between \$65-\$80 per QUARTER. If you receive an incorrect invoice, please reach out to me by phone or email, and provide me with a copy of the invoice.

If you have any additional questions or concerns, please feel free to contact me at 352-746-6060 or email me at moses@citrus hills.com.

10 Spring Cleaning & Maintenance Tips for the Home

- 1. Do an outdoor home inspection and check for any damage.** Check out gutters and downspouts, sprinklers, AC units, outdoor faucets, and cracks in driveways, walkways, and pool decks.
- 2. Take inventory of your lawn and landscape.** Trim dead pieces and overgrowth. Look at all trees and shrubs and cut them back if they touch your home, fence, or other structures. Remove old, weak, or diseased limbs that could fall in the event of high winds. Seed bare and thin spots of the lawn. Add new plants for a spring spruce-up.
- 3. Inspect caulking around the home.** Check all access points to your house, like doors and windows, for small gaps. If you see any spaces, have them filled. The smallest spaces can let bugs in.
- 4. Pressure wash the outside of your home.** Hire a trusted professional, or do it yourself! Removing all the mold and mildew build-up from the rainy season will make a massive difference in your home's appearance.
- 5. Clean your gutters and downspouts.** If your gutters get clogged, they can cause water to seep down between the interior and exterior walls of your home and cause damage. Clean out all debris, check for leaks, and seal your gutters.
- 6. Have your roof inspected.** If your roof hasn't been inspected lately, have a professional walk the roof and make a note of the wear and any damage. Get a clear picture of the state of your roof before the next hurricane season begins.
- 7. Review fire safety items.** Check fire extinguishers and smoke detector batteries. Inspect plugs for signs of discoloration, softened plastic, and scorch marks. Replace when needed and call an electrician for signs of electrical damage.
- 8. Get your HVAC system ready for summer.** Change AC filters and set an appointment with a professional for an annual inspection in anticipation of the hot months. Regular maintenance ensures that your AC remains functional year-round. The cleaner the system, the longer the life of the equipment.
- 9. Give the interior of your home a deep cleaning.** Tidy up, organize, and focus on areas you usually avoid. Wash baseboards, retouch paint, clean grout, etc. Don't forget to organize the garage!
- 10. Refresh outdoor furniture.** Pressure wash your patio set and take the cushions and covers to a local dry cleaner. A wash will have your deck furniture looking like new.
