Elevating your club and community experience remains our utmost priority, and we are wholeheartedly committed to providing unparalleled facilities and services that genuinely enrich your life. Our dedication ensures that we continue to offer world-class amenities at an exceptional value, setting us apart from other resort-style country club communities.

Dive into the excitement by exploring our website (www.clubhappenings.com), navigating our user-friendly phone app (Citrus Hills), or perusing the Activity Center information board, where a plethora of upcoming events and activities await your discovery.

Reflecting on 2023, our Country Club underwent transformative enhancements, offering members incredible opportunities for enjoyment. The Activity Center interior

facility and outdoor pool area received a lavish makeover, the golf simulator room opened to improve the game for many, a completely new state-of-the-art circuit of fitness equipment was installed at BellaVita, and many other noticeable improvements and renovations were added to several facilities, keeping all of our amenities up-to-date and contemporary.

Anticipate the wonders of 2024 as we embark on creating two new spectacular amenities. The Davis Reserve resort-style pool and clubhouse will redefine luxury, featuring a grill and bar, an entertainment area, upscale locker rooms, and a breathtaking lobby. Simultaneously, the Rockwood SportsPlex will offer an array of activities, such as a pickleball complex, bocce, dog park, beach tennis, padel tennis, and more!

Social Events & Entertainment

By Emily Will, Activities Director

As we begin a brand-new year, Citrus Hills is certainly keeping the community ablaze with melodic passion and rhythm! Our past few live performances have been a testament to Citrus Hills' commitment to providing world-class entertainment - right in your own backyard. And there's still a chance to immerse yourself in this musical extravaganza! Tickets for the last remaining concerts are still available, offering an opportunity to indulge in the symphony of sounds that have been stunning our members month after month. Whether you're a long-time aficionado or a newcomer to our Big Shows, these performances

promise an experience unlike any other.

For instance, take our upcoming show **ARTRAGEOUS** on March 7th - this show is different from anything you've ever experienced. It contains a troupe of multi-talented live performance artists: world-class singers, highly trained dancers, and veteran musicians hailing from the high desert of New Mexico. Their infectious and energetic performance is a combination of all arts on one stage, combined with humor and

audience interaction in a frenzy of movement and color.

But the excitement doesn't end here! As the current season reaches its crescendo, we're nearly ready to unveil the upcoming show lineup for the 2024-25 season. Brace yourselves for new, exciting, top-of-the-line acts that promise to elevate your entertainment experiences to even greater heights. Ensure you're following our Club's social media pages and receiving Club emails to see that announcement as soon as it's publicized. You won't want to miss your chance to get your tickets and take part in this musical journey with your friends and neighbors!

BellaVita Fitness & Spa

By Lee Thompson, Director of Spa & Fitness

The New Year is here, and many have set their sights on adopting healthier lifestyles. Establishing a resolution for better health is admirable but requires commitment and a strategic approach to succeed. Here are some key steps to kickstart a journey towards a healthier you in the coming year.

Begin by assessing your current lifestyle. Take note of your eating habits, physical activity levels, sleep patterns, and stress management. Set achievable and realistic health goals. Whether it's eating more vegetables, exercising regularly, improving sleep quality, or reducing stress, make sure your objectives are specific, measurable, and within reach. Develop a structured plan to reach your goals. Break down your objectives into smaller, manageable steps. Focus on a balanced diet rich in fruits, vegetables, lean proteins, whole grains, and healthy fats. Hydration is also crucial, so ensure adequate water intake throughout the day. Find physical activities you enjoy and incorporate them into your routine. Whether it's cycling, dancing, Pickleball, or strength

training, aim for at least a few days per week. Start gradually and increase intensity as your fitness improves.

Quality sleep is essential for overall health. Establish a consistent sleep schedule and create a relaxing bedtime routine.

Additionally, practice stress-reducing techniques such as meditation and deep breathing. Having a support system can keep you motivated and accountable on your journey. For extra help, you can hire a trainer. Here at BellaVita & PrimoVita, we have 10 Certified Personal Trainers and an expansive Fitness Class Schedule. Remember, change takes time. Embrace setbacks as learning opportunities and adjust your plan accordingly.

Committing to a healthier lifestyle as a New Year's resolution requires dedication and perseverance. Taking small, consistent steps towards better health will pave the way for long-term positive changes in your life.

Tennis Talk

By Bruce Payne, Director of Tennis

As we enter the new year, we are thrilled to share the fantastic renovations to Skyview Tennis Center. Court four was reconstructed after the liner on the south end of that court failed. Replacing the liner and all materials above it was a major undertaking that required an out-of-town contractor. Following the repairs, courts three and four were resurfaced to align the grade for proper drainage. We are happy to report the mission was a success, and we are back in business.

We are also back in business at night. New poles, fixtures, and LED panels have been installed on the interior of

all pods. New LED cylinder bulbs have replaced the metal halide bulbs on the outer poles. All courts are now fully lit and we love the "instant on" quality of the LED system.

I wish to congratulate Shelly Ennett and her 6.0, 55-and-over mixed doubles team for a great showing at the USTA/Florida Sectionals a few weeks ago. Shelley's team finished third in state, thanks in part to a wonderful weekend of tennis by Miles Ridgway and David Charlip. Both men won three out of four matches with two

different partners. Congratulations to Shelley and her team for a terrific season of USTA tennis.

The next team from Skyview to compete at the sectional level will be Suteera Joyce's 7.0 women. In a couple of weeks, the team will join 12 other Florida district champions to determine the sectional winner. Congratulations, Suteera, and Go Skyview!

With all Skyview courts in great shape and LED lights everywhere, don't miss our next tennis social on Sunday, April 7th. Details will be available in the March/April newsletter.

Oaks & Meadows: Todd's Tips

By Todd Bleidner, PGA, Head Golf Professional

Course management is a critical aspect of golf that often distinguishes amateur players from professionals. While many amateurs focus on improving their swing and technical skills, understanding and implementing effective course management strategies can significantly enhance overall performance on the golf course.

One key tip for you to consider is to prioritize accuracy over distance. While hitting the ball far is enticing, staying in play and avoiding hazards is crucial for consistent scoring. This means choosing the right club for the situation, even if it means sacrificing a few yards for better accuracy. By carefully selecting clubs based on the course layout and conditions, you can avoid unnecessary risks and keep the ball in play.

Another important aspect of course management is knowing when to play aggressively and when to play conservatively. Assessing risk and reward on each hole is essential. For instance, it might be wise to play more conservatively on challenging holes with narrow fairways or

water hazards, aiming for a safer position for the next shot. On the other hand, taking calculated risks on more forgiving holes can lead to opportunities for lower scores.

Understanding the nuances of the course, such as slopes, bunkers, and green contours, is also crucial. Take the time to go over the course in your head before playing, and develop a game plan for each hole. This includes identifying landing areas, considering pin placements, and adjusting strategies based on the day's weather conditions.

Effective course management improves overall scores and enhances your overall golf experience. It reduces frustration, increases confidence, and helps you enjoy the game by making more informed decisions on the course. Integrating course management into one's golfing strategy is crucial to playing smarter and achieving better results.
