Club News

By Anthony Lambert, General Manager

We are pleased to invite our members to another Open Forum Meeting on Tuesday, September 9th at 2pm in the Activity Center Auditorium. These gatherings are an important way to keep the lines of communication open, provide valuable updates, and answer any questions you may have, including the exciting projects currently underway.

One of the hottest topics around the Club is the progress of our two newest amenities: The Davis Reserve Resort & Pool and the Rockwood Sportsplex. Members have been asking for a glimpse of Davis Reserve, and we're thrilled to announce—it's here!

Visit <https://davis-reserve.com/video> and be among the very first to experience an exclusive sneak peek of The Davis Reserve Resort & Pool, a world-class amenity unlike anything Citrus Hills has ever seen. The Terra Vista Sales and Marketing Team has just released this stunning video for members that brings this exciting new destination to life.

For pickleball enthusiasts eager to learn more about our upcoming 20-court Pickleball facility at the Rockwood Sportsplex, a detailed video highlighting the courts and overall design is now available by typing in:

<https://citrushills.com/lifestyle-and-amenities/pickleball/>

Scroll down to the "Coming in 2026" video.

In addition to development updates, we encourage you to experience the wonderful new enhancements in our dining venues. If you haven't tried the new Skyview menu, now is the perfect time to visit. Over the next two weeks, refreshed menus will also debut at both the Grille and the Tiki Bar. To enhance your evenings even further, a limited selection from the new Grille menu will be available in the evenings at the Tiki Bar, along with our live entertainment.

There is so much happening throughout the Club, and we are excited for a busy and memorable season ahead. We look forward to seeing you soon!

Club Life

By Lisa Malone-Carmain, Club Marketing Director

We're excited to welcome so many new members and our snowbirds back and share all the great events, updates, and activities happening around the Club! Be sure to take a few minutes to read through everyone's articles, and don't hesitate to reach out if you have questions.

If you're not already on our Important Notices Email List, now is the time to sign up! Every member should be on this list—it's the quickest way for us to reach you with timely information. These emails are reserved for essential updates such as open forums, renovations, weather-related closures, dues information, this newsletter, and surveys requesting your input. They are not sent daily—sometimes not even monthly—so you won't be flooded with emails. Send an email to me at lisa@citrushills.com with your name and member number to be added to this database.

Please remember, these emails are not spam. Marking them as such, or unsubscribing will prevent you from receiving

important future news and updates you'll want to know about—including Emily's exciting new ticketing software!

For event photos, reminders, and fun updates, send "Lisa Citrus Hills" a Facebook friend request. Our page is private to members only—once I receive your request, I will message you to confirm your membership number to keep our page secure. That way, scammers will not have access to the page, our friend list, or any of our posts.

I'm always interested in hearing your thoughts and ideas about how to best reach you to keep you informed and updated, newsletter suggestions, and photos at the Club! Send me an email at lisa@citrushills.com. I hope you have a wonderful fall and busy fun-filled season here at Citrus Hills! We look forward to an enjoyable season at Citrus Hills—if you see me around the Club definitely say hi!

Social Events & Entertainment

By Emily Will, Activities Director

We're excited to announce that Citrus Hills is launching online ticket sales! This new feature will roll out in phases, starting with day trips, craft workshops, and a few smaller activities. Over time, it will expand to include larger events like dinner shows, dance parties, and Big Show concerts.

Why the change? Because you asked for it! Feedback from our recent member survey made it clear that convenience matters. Online ticketing allows you to register for events anytime, anywhere—whether you're using a phone, tablet, or computer. If you're out of town, unavailable during office hours, or simply prefer managing things digitally, this option is available to make life easier.

But don't worry—our traditional methods aren't going anywhere. You'll still be able to call the Activity Center or stop by in person to purchase tickets, just like always.

There are a few essential things to keep in mind. For events with reserved seating—such as concerts, dinner

shows, or anything involving table assignments—we strongly recommend calling the Activity Center if you're coordinating with

others. If you're purchasing online and want to sit together with a group, the best way to ensure that is to buy the entire table in one transaction. If tickets are purchased individually, we can't guarantee you'll be seated with your group.

This is an exciting step forward, and we appreciate your patience and enthusiasm as we introduce these improvements. Our goal is to make event registration more accessible while still offering the personal service you've come to expect.

If you have any questions about the new system or need help getting started, don't hesitate to call the Activity Center at 352-746-7633. We're here to assist you every step of the way.

SKYVIEW Restaurant

Sensational Skyview Restaurant

By Managers Jimmy Jordan & Patrick Gillespie

As summer winds down and we head into a new season, we're excited to share a fresh new lineup of menus at Skyview. With the combined talents of Head Chef, Jeffery Scarano, and Chef, Justin Bowman, our latest culinary creations are designed to impress and inspire. Every dish is crafted to take you on a flavorful journey—no passport required.

Our new Lunch Menu offers familiar favorites with an elevated twist. Whether you're indulging in our savory bacon-wrapped salmon or trying the new member-favorite, prime rib tacos, it's the perfect way to cap off a great round of golf or a relaxing afternoon with friends.

The Dinner Menu highlights the chefs' creative balance of bold and delicate flavors. From our succulent, crispy duck breast drizzled with a house-made peach vinaigrette, to the pan-seared scallops served with a refreshing papaya salad, each plate is designed to delight.

To complement these dishes, we've introduced a carefully curated Wine List, featuring hand-selected varietals that pair perfectly with our new offerings.

It's all part of our mission to deliver an exceptional dining experience from start to finish.

As we head into the festive holiday season, we invite you to join us for some exciting upcoming events, including our annual Halloween Costume Party, Thanksgiving Dinner, the Tree Lighting Celebration, and much more.

While the menus may be new, our commitment to warm hospitality and attentive service remains unchanged. Our dedicated staff is here to make your visit memorable, and we look forward to welcoming you back to Skyview soon!

Grille & Tiki Tasty Tidbits

By Lauren Hodgkins, Jonathan Chavez & Steve Grote, Restaurant Managers

As the crisp autumn air starts to settle in and the leaves begin to turn, we welcome fall with warm hearts and full plates. Fall is one of our favorite times of year here at the Grille and Tiki Bar and we're embracing the season with comforting flavors, cozy atmospheres, and exciting happenings.

This month, we're rolling out new seasonal specials inspired by the best local ingredients—think roasted squash, spiced apple, and hearty stews. Our chefs have crafted fall features that are both familiar and fresh, perfect for gathering with friends and family as the days grow shorter. Don't miss our featured cocktails and warm mulled drinks, ideal for chilly evenings.

October also brings festive events! October 4th, enjoy a taste of Germany with our Oktoberfest Menu. And join us for our member-favorite event, the Annual Halloween Party—with costume prizes, fun, and plenty of memories. The Halloween party will be Saturday, October 25th, in

the Tiki Bar with the King himself, Bill "Elvis" Lindsey. This event sells out fast, mark your calendar and call us beginning at 11am on September 22nd to reserve your space!

Whether you're stopping in for a quiet dinner, celebrating a special occasion, or picking up takeout on a busy night, we're honored to be part of your season and appreciate your support.

Thanksgiving is just around the corner, and we'd love for you to join us for our unforgettable holiday buffet! This popular event sells out quickly, so be sure to make your reservation as soon as possible to ensure we can accommodate you and your guests. Reservations start on October 1st. Our Thanksgiving Buffet is truly unmatched, and we take great pride in making your holiday both delicious and memorable.

Wishing you a warm, delicious fall.

BellaVita Fitness & Spa

By Lee Thompson, Director of Spa & Fitness

As summer rolls into September and early fall, many of our seasonal guests and tourists begin to grumble about Florida's thick humidity and blazing heat. But believe it or not, that sub-tropical climate you're sweating through might just be doing your body some good!

For starters, humidity is a natural skin hydrator. While dry climates can leave your skin feeling parched and aged, Florida's moist air helps retain skin elasticity, smooth fine lines, and promote a healthy, dewy glow, especially when paired with a high-quality hydrating toner. Humidity can also relieve respiratory illnesses and may be more comfortable for those with allergies.

Then there's the heat itself. Warmer temperatures naturally relax muscles and joints, improving flexibility and easing stiffness. That means your golf swing or tennis serve may actually thank you for those balmy conditions. Plus, working out in warmer weather elevates your heart rate

quicker, potentially boosting cardiovascular benefits during shorter workouts.

Even more impressive...

Sweating helps detoxify your system, flushing out impurities and supporting your skin's health and immune function; just in time for flu season. Be sure to hydrate regularly and wear a mineral-based sunscreen if you're out in the sun. Our spa recommends Obagi Medical for both skin protection and replenishment. We carry an assortment of moisturizers, toners, lip balms, and sunscreens, along with anything else to nourish your skin.

So next time the air feels heavy and the sweat starts dripping, take a deep breath and smile. Florida's sub-tropical climate isn't just something to endure; it's something to embrace. Don't hide away in the AC; that's just surviving. Get outside and be active, start thriving.

Tennis Talk

By Bruce Payne, Director of Tennis

As our long, hot summer winds down, we're excited to say goodbye and look ahead to cooler days! Despite weekly rain delays, we made great progress on our summer project to repair and replace all fence posts and fabric—and we're nearly there! The work that has been completed looks fantastic, with lots of praise coming from our members. The gauge of the fabric is thicker than before, and the fence posts and light poles have been painted glossy black to match the new fabric. The combination of these components is visually stunning. We are halfway through the contract at the time of this writing, and we are hoping the weather is a bit more forgiving in the weeks to come.

We are about to enter a new league season at Skyview. Skyview Advantage will be back to defend their championship from last year in the CADL competition. The new captain this year is Helen Sweeney, and her co-captain is Tracy Shisler. Home

matches will be played at 10:30am on Thursdays. The league is targeting October 9th as its start date.

The Skyview Slice Girls will return to CASL action this fall. Joanie Kelsey will captain once again, and the team will continue to play home matches on Tuesdays at 12:30pm. The league has not yet selected its start date, but history points toward the first week in November.

Skyview will not be competing in USTA Combo leagues this fall. We look forward to January when we will be active in adult, 55-and-over USTA adult leagues at multiple levels.

Skyview Golf

By Wayne Larsen, PGA, Director of Golf

At Citrus Hills, we're committed to continually enhancing the quality, playability, and overall experience of our golf courses. From major restoration efforts to state-of-the-art equipment upgrades, our latest projects reflect that dedication. Here's a look at two exciting updates currently underway on The Oaks and Skyview courses.

Tee Box Restoration Project – The Oaks Course - Last month, we embarked on a two-year project to restore and enhance selected White and Red tee boxes on the Oaks course. As these tees have received increased play over time, this initiative will involve enlarging and laser-leveling the targeted tee boxes to improve playability, aesthetics, and overall course conditioning. Work will be scheduled to minimize disruption to daily play, and we appreciate your support as we invest in the long-term quality of the course.

New State-of-the-Art Greens Mowers at Skyview - We're also proud to announce the purchase of two new Jacobsen Eclipse Elite electric greens mowers for Skyview. These cutting-edge machines represent a significant capital investment in the Club's future and bring several key benefits:

Enhanced quality of cut — delivering superior consistency, smoothness, and ball roll.

Whisper-quiet operation — providing a quieter, more enjoyable golf experience during morning and midday maintenance.

Environmentally friendly — zero-emission electric power reduces our environmental footprint while increasing operational efficiency.

These capital investments and projects are a reflection of our ongoing commitment to improving the quality, playability, and overall experience of our courses.

Booking tee times at the Oaks, Meadows, and Skyview courses is quick and convenient with our Club's app. Simply search "Citrus Hills" in your app store, download the app, select the "Tee Time" option on the home page, and create an account. The app provides real-time availability, ensuring you can easily find and book the perfect tee time. Additionally, you can manage and modify your bookings directly through the app.

GOLF TIPS

Helpful Tips for Reading Florida Bermuda Grass Greens

Reading Bermuda grass greens in Florida requires extra awareness, particularly when it comes to understanding grain. Grain refers to the direction in which the grass naturally grows, and it can influence the speed and break of your putts.

On Bermuda greens, grain often follows the path of the sun, leans toward water, or grows in the direction of the slope. You can spot it by noting grass color—lighter or shinier areas usually mean the grain is growing away from you (putts may roll a bit faster), while darker areas suggest the grain is growing toward you (putts may roll a touch slower). Another helpful clue is the grass around the hole; a slightly worn edge typically points

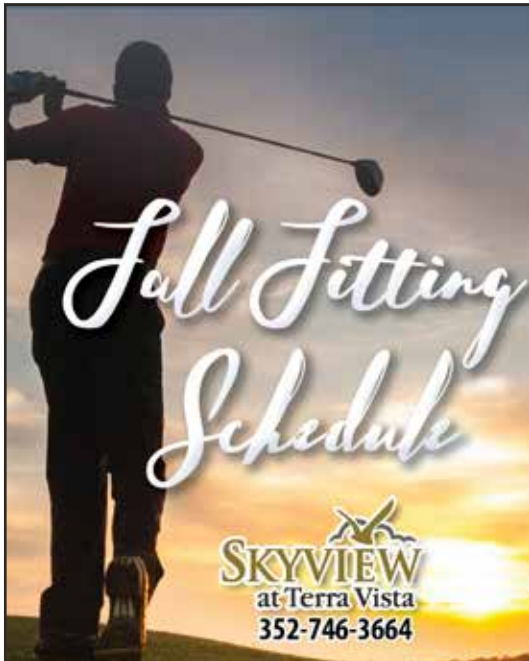

in the direction the grain is growing.

Walking around your putt and viewing it from multiple angles—especially behind the hole—can give you a clearer sense of break and speed. Feeling the slope with your feet can also help pick up subtle contours.

In the winter months, our greens will be overseeded with ryegrass, which offers a slightly different surface feel. During this time, grain effects may be a bit more subtle, but the overall green performance remains smooth and consistent.

By learning to recognize grain, slope, and seasonal conditions, you'll read our course's greens more confidently and enjoy greater success on the putting surface.

Retail and Pro Shops

By Stephanie Rodney, Assistant Golf Professional/ Merchandiser

As we head into fall, Citrus Hills Golf & Country Club welcomes the season with a variety of exciting retail events for members and their guests. From personalized golf club fittings to ladies' apparel trunk shows featuring the latest trends, there's something for everyone to enjoy.

Getting personally fitted for golf clubs offers several benefits that can significantly improve your game.

1. Enhanced Performance: Custom-fitted clubs are tailored to your swing characteristics, body measurements, and playing style. This optimization can result in more consistent and accurate shots, allowing you to play more accurately.

2. Improved Consistency: Fitted clubs promote a more repeatable swing, reducing the effects of mis-hits and providing a more stable ball flight, leading to better shot consistency.

3. Personalized Comfort: Fitted grips and shafts that suit your hand size and swing speed

provide greater comfort.

4. Confidence Boost: Knowing that

your clubs are specifically designed for your game can boost your confidence on the course, leading to a more positive mindset and improved performance.

5. Investment in Your Game: While custom-fitted clubs may have an upfront cost, they are an investment in your golfing journey. Properly fitted clubs help you progress faster and enjoy the game more.

A personalized club fitting is a worthwhile investment that can significantly impact your golfing experience by optimizing your equipment. Here at Citrus Hills Golf and Country Club, we offer PING, Callaway, Mizuno, Cobra, and XXIO/Cleveland/Srixon clubs; make sure you mark your calendars for the upcoming fittings this fall!

Neighborhood News

By Cyle Moses, General Counsel

As we head into the fall season, we're starting to see more familiar faces return to the community. With snowbird season beginning, our roadways and community spaces will naturally get a little busier. It's a great time to remind everyone to stay mindful, especially when driving or walking near others (watch your speed!).

If you're a snowbird, reading the newsletter for the first time this year, you may not be aware of the new signage along the multi-use lanes in Terra Vista. These signs were installed earlier this year to help guide traffic and clarify how these shared lanes are meant to function. If you're just getting back to town, please take a moment to familiarize yourself with them. The signs apply only to the designated multi-use paths in Terra Vista, not to traffic on Fenway Drive.

We've also heard a few

r u m o r s
about the
temporary
dog park
b e i n g
c l o s e d .

Just to clear that up: the temporary dog park next to the Activity Center is open and available for use. It's a nice amenity for pet owners, and we're glad to see it getting regular use while Rockwood Park's renovation is underway.

Lastly, a quick reminder as part of our ongoing POA communication efforts: we're trying to make sure we have everyone living in Terra Vista, Brentwood Farms, and Belmont Hills current email address. If you're not sure we have yours on file, please send a message to Sandra Taylor at staylor@citrushills.com so we can add you to the list. It's the best way to stay informed as we head into the busy season.
