Club News

By Anthony Lambert, General Manager

As we reflect on 2025, it is truly inspiring to look back on an extraordinary year at Citrus Hills Country Club—one filled with connection, celebration, and countless moments of joy. Throughout the year, our members embraced all that makes our community and Club so special: vibrant social events, engaging activities, and an unmatched array of lifestyle amenities designed to bring people together and enrich everyday life.

At the heart of everything we do is a simple but powerful goal—to elevate the Club to the highest level possible while delivering exceptional hospitality

and service to our members. In 2025, that commitment was felt across every corner of the Club, from the golf courses and dining venues to fitness and wellness programs, activities, social gatherings, and special events that created lasting memories for so many.

This past year also marked an exciting milestone in our continued growth. We proudly broke ground on two exceptional projects: the Davis Reserve Resort, featuring a new resort-style pool, Bar and Grill, entertainment venue, and clubhouse. The Rockwood SportsPlex will feature 20 pickleball courts, Padel Tennis, bocce ball, dog park, basketball court, children's playground, croquet lawn activity area, beach volleyball and more.

Both of these spectacular new amenities are scheduled to open in the spring of 2026 and will further enhance the vibrant, social lifestyle our members enjoy.

Combined with our current facilities, these additions will ensure that Citrus Hills membership truly offers something for everyone. We remain dedicated to promoting health, happiness, and an active lifestyle—doing everything we can to fill our members' lives with energy, fulfillment, and joy.

As we look ahead to 2026, we do so with great excitement and optimism. We thank our members for their continued support and wish everyone a very happy New Year and all the best to you and your family.

A Note to Our Big Show Series Subscribers

As we move into a new year of entertainment at Citrus Hills, we want to extend our sincere appreciation to all who joined us for our November concerts, *One Irish Rover* and *Solid Joel*. Both performances were energetic, engaging, and truly set the tone for what promises to be a standout season. Hearing your enthusiasm and seeing the auditorium filled with familiar faces was the perfect way to launch our Big Show Series.

Around this time each year, we typically announce our upcoming season lineup and series subscription sales. However, as many of you know, we're preparing for a significant and exciting evolution of our concert experience. This summer, we will be completely revamping the Big Show Series, with a major focus on improving comfort, flow, and overall value.

One of the most impactful

upgrades will be a new auditorium floor map, paired with increased spacing between rows—a change made with your comfort and accessibility in mind. Additionally, we're restructuring certain elements of the concerts themselves to create a smoother, more elevated experience from start to finish.

Because these updates are substantial, we ask for your continued patience as we finalize the details. Our goal is to announce the new lineup and the refreshed show structure toward the end of the summer. We know many of you look forward to securing your subscriptions early, and we promise the wait will be worth it.

Thank you for your loyalty, your energy, and your trust as we work to make our concert series better than ever. With a little patience, you can expect even greater things ahead.

Skyview Restaurant

By Manager Patrick Gillespie

Let us begin by wishing all our members a very Happy New Year! We hope 2026 brings you sunshine, happiness, and good health. Our resolution this year is simple: to fill Skyview with unforgettable memories. We remain committed to providing exceptional dining and event experiences, and we invite members who haven't visited recently to come enjoy everything Skyview has to offer.

As the holiday season winds down and the new year begins, we're excited to introduce fresh events and elevate long-time favorites. Whether you join us for date night, a special occasion, or an evening out with friends, we look forward to welcoming you.

Wine lovers, take note! We're thrilled to introduce our new Five Course Monthly Wine Dinners. Held at the end of each month, these dinners will showcase the very best of Skyview—exquisite dishes thoughtfully paired with wines selected to enhance every course. They promise to be an evening you won't want to miss.

Our Tunes & Bites nights also return with an expanded lineup of

talented performers. Bring friends, enjoy handcrafted cocktails, and unwind to great live music.

We are also excited to feature several new additions to our dinner menu. Highlights include the Skyview Steak Sandwich, layered with tender steak, fresh burrata, and peppadew chimichurri, and our mushroom parfait, a savory combination of mushroom spread, candied bacon, pickled onion, and sautéed mushrooms—each dish crafted to make every bite memorable.

At Skyview, your experience always comes first. My staff and I are dedicated to making you feel as welcome as you would in your own home. As we begin this beautiful new year, we're already looking ahead to Valentine's Day. Celebrate with an unforgettable evening featuring Chef Jeff's special menu and live music by Lisa Coan.

We look forward to seeing you soon.

Tennis Talk

By Bruce Payne, Director of Tennis

Happy New Year from Skyview and Citrus Hills Tennis Centers. Our New Year begins with a new slate of USTA leagues beginning the second week of January. So far, we have four women's teams and one men's team registered to play. Unfortunately, Shelley Ennett's 6.0, 55-and-over Mixed Doubles Team, which won the district and qualified for sectionals in December, was not able to attend. A rash of injuries and other issues plagued the team, forcing captain Ennett to withdraw her team from the tournament. Shelley will be back in January with a 65-and-over women's team to make another run at sectionals.

The Club tournament that I mentioned in the last newsletter has been moved back to April. That event will require a complete weekend of court usage, and we thought it best to move it later in the spring to avoid our busiest league season.

We will black out all courts on Sunday, February 22nd, for a Mixed Doubles Social. This only requires two hours to complete and will be followed by lunch at the Tiki Bar for those who are interested. Participation is limited to Skyview Tennis Members, but guests will be allowed to join us for lunch. Registration sheets are at the front desk, so be sure to grab your favorite partner and sign up today.

Last year, we took on the project of replacing all the fences around the Skyview Tennis Center. The project took several months to complete, but the results are truly amazing. Many thanks to Citrus Hills for taking this on and ensuring our facility remains truly incomparable. We'll be starting another New Year in style at Skyview!

Skyview Golf

By Wayne Larsen, PGA, Director of Golf

As we close out the year and look ahead to 2026, I'd like to extend my best wishes for a healthy, enjoyable, and successful year to come. The past year brought plenty of great moments on the course—from exciting tournaments and friendly competitions to casual rounds with fellow members—and I'm looking forward to building on that momentum with all of you in the year ahead.

Our team has been busy planning a full calendar of events to keep things engaging—from tournaments and friendly competitions to clinics, lessons, and social gatherings. Whether you're a seasoned player or just starting out, we're committed to providing a welcoming environment where everyone can feel included, improve their game, and enjoy time on the course.

We're thrilled to host not one, but two prestigious FSGA events at Skyview at Terra Vista in 2026! In January, we'll welcome the Florida

Junior Tour 16-18-Year-Old Championship, followed by the Senior/Mid-Amateur Championship in March.

Both are exciting, two-day competitions. Our courses showcase championship-level conditions, providing an exceptional stage for top-tier golf. We take pride in supporting Florida's golf community and look forward to welcoming players to premier competition at Citrus Hills.

In addition to events, we're continuing to invest in course improvements to maintain the best possible playing conditions throughout the year. Our goal is simple: to create an outstanding golf experience where you can challenge yourself, refine your skills, and connect with others who share your passion.

Here's to a great year of golf in 2026—filled with good shots, good friends, and plenty of memorable moments along the way.

Golf Tips: Back to Basics: Mastering P.G.A. — Posture, Grip & Alignment

Great golf doesn't start with a perfect swing — it starts before the club ever moves. Whether you're a seasoned player or just getting back into rhythm, focusing on the fundamentals of P.G.A. — Posture, Grip, and Alignment can pay immediate dividends in consistency and confidence.

Posture is the foundation of every good swing. A balanced, athletic setup allows your body to move freely and repeatably. Stand with your feet shoulder-width apart, knees slightly flexed, and tilt forward from the hips — not the waist. Your back should be straight but relaxed, with your weight evenly distributed between the balls and heels of your feet. Good posture promotes solid contact and better balance throughout the swing.

Next comes the Grip, your only connection to the club.

A proper grip helps control the clubface and dictates ball flight. Hold the club in your fingers rather than the palm, maintaining light but secure pressure. Whether you prefer an overlapping, interlocking, or baseball-style grip, consistency is key. Check that both hands work together to allow the clubface to return square at impact.

Finally, Alignment ensures your swing is aimed at the right target. Too often, solid swings produce poor results simply due to misalignment. Set your clubface first, aiming it directly at your target, then align your feet, hips, and shoulders parallel to that line. Regularly practicing alignment can instantly improve accuracy without changing your swing.

By returning to P.G.A. basics, you'll build a more reliable swing — and enjoy better results every time you tee it up.

Happy New Year! I'd like to express our gratitude for your continued support and loyalty for 2025, while looking forward to another great year in 2026! Your passion for the game, love of retail, and all things Citrus Hills Golf & Country Club has to offer.

This spring, we have a busy club fitting schedule. A personalized club fitting is a worthwhile investment that can significantly impact your golfing experience by optimizing your equipment. Getting personally fitted golf clubs can offer several benefits, as the process involves tailoring the equipment to match your unique swing characteristics, physical attributes, and playing style. Make sure you mark your calendars for the best club manufacturers coming to Skyview at Terra Vista.

When considering golf apparel, personal preferences play a significant role. It's advisable to try on different pieces and styles to ensure a comfortable fit and to meet any specific performance

or style preferences you may have. Here are the top benefits:

1. Comfort & Breathability
- Golf shirts use lightweight, moisture-wicking fabrics that keep you cool, dry, and comfortable—especially in warm weather or during activities.

2. Versatile, Polished Look - The collared design gives a clean, professional appearance that works for golf, casual wear, and business-casual settings.

3. Freedom of Movement
- They're made with flexible, performance materials that allow easy movement, making them ideal for sports and everyday activities.

Of the many brands we carry, our top brands are Footjoy, Cutter & Buck, ADIDAS, PUMA, Levelwear, and many more options to choose from!

Make sure to stop in the Pro Shops to see the newest trends this year! Hope to see you in the shops soon!

Cozy Chicken Gnocchi Soup

Ingredients

1/2 cup oil-packed sun-dried tomatoes
1 shallot, chopped
4 cloves garlic, chopped
2 tablespoons Italian seasoning
1 teaspoon smoked paprika
Chili flakes (to taste)
3 tablespoons tomato paste
1 pound chicken breasts or thighs
Salt and black pepper
4-6 cups chicken broth
4 ounces cream cheese, at room temperature
1 cup heavy cream or whole milk
2 cups chopped spinach
1/2 cup grated parmesan cheese
1 pound potato gnocchi
Fresh basil or parsley, for serving

Steps

1. Drain the oil from the sun-dried tomatoes - Take the jar of sun-dried tomatoes and drain a few tablespoons of the oil into your Dutch oven. I love using the oil from the jar—it's seasoned and works perfectly for Italian recipes.
2. Get cooking - To the oil, add the shallots, garlic, Italian seasoning, paprika, and chili flakes. Stir in the tomato paste and cook until it thickens slightly.
3. Now add the chicken and toss it with all those spices.
4. Add the broth and cook

Neighborhood News

By Cyle Moses, General Counsel

As the year comes to a close, I hope everyone had a wonderful holiday season and is heading into the new year feeling refreshed and ready for what's ahead. This is always a great time in the community. More folks are back in town, the weather finally cooperates, and it's nice to see neighbors out walking, biking, and simply enjoying where we live.

We'll be scheduling another town hall in the near future. These meetings have been a helpful way to connect, share updates, and talk through questions about the Club, ongoing development, and what's ahead for the community. Please keep an eye out for an email notice with the date and time.

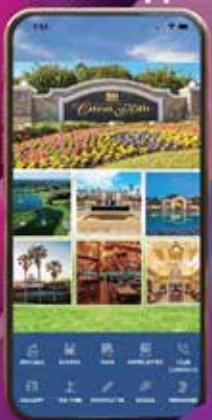

As always, thank you for your continued engagement and for helping make Terra Vista, Belmont Hills, Brentwood Farms, and all other areas in our community such great places to live. Wishing everyone a happy, healthy new year. I'm looking forward to what 2026 brings for our communities.

the chicken. Pour in the broth and let the chicken cook for about 20 minutes. Once tender, shred the chicken directly into the soup.

5. Finish the soup. Mix in the cream cheese and milk until creamy. Add the spinach (or kale), the sun-dried tomatoes, and the gnocchi. Cook until the soup is hot and steamy and the gnocchi float to the top. Stir in some parmesan too!

HOW TO SPOT AND AVOID CARD SKIMMING DEVICES

Card skimming scams are a growing threat at ATMs and gas pumps, allowing criminals to steal your card information and PIN—sometimes in seconds. These devices may be placed over the real card reader or hidden inside it, and are often paired with small cameras to capture your PIN as you type.

Warning signs to watch for:

- A card reader that looks loose, bulky, misaligned, or different from others nearby
- Resistance when inserting your card or a reader that wiggles when touched
- Unfamiliar Bluetooth devices appearing on your phone while near an ATM or gas pump
- A tap to pay reader that isn't lit up.

How to protect yourself:

Always inspect the card reader before use and avoid machines that look tampered with. If anything

seems suspicious, leave and use another ATM or gas station. When entering your PIN, cover the keypad with your hand to block hidden cameras. Regularly review your bank statements and enable text or email alerts for transactions so you can catch fraud immediately.

If you believe your card information has been compromised, contact your bank right away to cancel the card and report the fraud. Acting quickly can significantly reduce—or even eliminate—your financial loss. Staying alert and informed is your best defense against card skimming scams.
