Club News

By Anthony Lambert, General Manager

Club life continues to grow with exciting new opportunities to gather, stay active, and enjoy all that our community has to offer. Our monthly Davis Reserve Lawn Events have quickly become a favorite tradition, bringing members and residents together in a fun and welcoming outdoor

setting at the beautiful Davis Reserve Fitness Lawn. Our next featured event will be a Derby Party on Friday, May 1st, where members can enjoy an afternoon inspired by the excitement and charm of the Kentucky Derby. Looking ahead, be sure to mark your calendars for Line Dancing on the Lawn on June 12th and Music and Movies on the Lawn on July 10th. These events promise great

entertainment, wonderful company, and memorable moments for all.

The lawn is also becoming a hub for health and wellness. Every Wednesday and Saturday at 9am, members are invited to participate in outdoor yoga, zumba, and other cardio fitness classes. These energizing sessions are a wonderful way to get moving, enjoy the fresh air, and connect with fellow members and neighbors. Whether you are looking to improve your fitness, meet new people, or simply start your day on a positive note, the Davis Reserve Event Lawn is the perfect place to be.

We are also pleased to announce expanded dining opportunities at Skyview Restaurant. Starting Wednesday, May 6th, Skyview will now be open for lunch and dinner seven days a week, creating a more flexible and enjoyable dining experience

for our members. Thursdays, Fridays, and Saturdays will feature à la carte dining from our main menu, while Wednesdays will continue as the popular Tunes & Bites evenings. On Tuesdays, we will host our favorite themed menu nights and Steak Nights. Mondays will now feature Skyview Social Hour with rotating events, including wine, beer, and bourbon tastings, and more. Trivia nights will also take place on two Mondays each month, along with many other exciting social gatherings.

On Sundays, members can now enjoy a brunch à la carte menu, offering a relaxed and delicious way to spend the morning. On the last Sunday of each month, we will continue our very popular Sunday Brunch Buffet, giving members the best of both experiences.

There has never been a better time to enjoy everything happening at the Club.

Club Life

By Lisa Malone-Carmain, Club Marketing Director

I truly love working with our members—whether it's helping you navigate the website, posting your event photos on social media, reinstating your Club emails, or making sure any website or app issues you notice get resolved. I'm here to help!

We hope you have been attending the fun events held at Davis Reserve recently! Check towards the end of this newsletter to find what is planned for May! These are also posted on the Club's website homepage, in the blog section, on the event calendar, and in the specials in Activities and BellaVita. We also post them to our Facebook page.

Have you friended us on our Facebook page yet? Since our events are members-only, you will need to be friends with us to view most of our events and specials. Simply search for "Lisa Citrus Hills" and send me a friend request. I will message you to confirm you are a member by asking what your member number is or where you are building. Once I have that information, you will be able to view all of our event posts.

If you need help finding information on the website or app, you can always send me an email at lisa@citrushills.com or check the blog section on

the website's home page. We have guides posted there that can help walk you through where everything is located. We also send out notifications about upcoming events like the Farmers Markets, so you don't miss out! These messages are not sent out very often. All you have to do is turn on the notifications for the Citrus Hills app in the settings folder.

As always, keep sending in the photos of you and your friends enjoying all there is here at Citrus Hills. You may just see your face smiling back at you on Facebook, the website, and this newsletter. And if you see me out running around taking pictures, be sure to say hello! I appreciate having the opportunity to meet all the wonderful people who live in the Citrus Hills community!

Social Events & Entertainment

By Emily Will, Activities Director

Think you've got what it takes to claim trivia bragging rights? Join us on the last Tuesday of every month for one of the most entertaining and delicious evenings at the Club. Unless a major holiday shifts the schedule, you can count on Trivia Night closing out each month with a fresh new theme and plenty of friendly competition.

In May, we're rolling out Remote Control Rumble, a nostalgic showdown inspired by your favorite TV moments. In June, pack your (mental) bags for Globetrotter Trivia, a lively journey around the world. The best part? You absolutely do not need to be an expert on the theme to have a great time. Trivia is designed to be fun, accessible, and just challenging enough to keep you on your toes.

Each evening is paired with a themed buffet dinner that

complements the night's concept, and our chefs have truly been knocking it out of the park. If you attended trivia years ago, we invite you to give it another try. The format, the energy, and especially the food have all evolved in the best possible way.

We're also excited to offer sanctioned teams. If you plan to play month-to-month, your team enjoys the advantage of reserving your table in advance. Don't have a team? No problem. Our popular Wildcard Table brings together individuals looking to join forces and form a team on the spot.

It's a relaxed, laughter-filled way to spend a Tuesday evening, strengthen those brain muscles, and connect with neighbors. We'll save you a seat!

Skyview Restaurant

By Manager Patrick Gillespie

As we head into spring and summer, Skyview is introducing an exciting update. Beginning May 6th, the restaurant will expand to a seven-day schedule, offering lunch and dinner all day for added convenience and flexibility.

This change will bring some new menus to Skyview as well. Sunday and Monday nights feature our newly refined Bistro Menu with classics like Oysters Rockefeller and beautifully seared Scallops, and a new staple: Korean Fried Chicken served over a crispy cheddar cheese waffle.

This change will also restructure some of our events at Skyview. Theme Nights, such as our Steak Night, now fall on Tuesdays. Tunes & Bites will remain on Wednesdays, and Thursday, Friday, and Saturday will feature our thoughtfully curated dinner menu for an elevated dining experience, truly showcasing the creativity and talent of our chef and culinary team.

Sunday will also feature a new

plated Brunch Menu, which will be available every Sunday, with the exception of our member-favorite Sunday Brunch Buffet. This popular brunch buffet will continue on the last Sunday of every month.

All of these enhancements are designed with our members in mind. Whether you're finishing a round of golf or gathering with friends and family, Skyview is here to provide a welcoming and enjoyable dining experience.

As always, our dedicated staff is committed to making every visit exceptional. Their continued hard work ensures that each experience is comfortable, inviting, and memorable.

We invite you to take full advantage of our new seven-day schedule—visit often, try something new, and enjoy all that Skyview has to offer this spring. We look forward to seeing you soon.

the GRILLE

Grille & Tiki Bar

By Lauren Hodgkins & Jonathan Chavez, Restaurant Managers

As late spring rolls into early summer, the Grille and Tiki Bar are turning up the heat with festive flavors, tropical cocktails, and can't-miss celebrations through May and June! From margaritas and mint juleps to family-style feasts and patriotic gatherings, here's what's happening at your favorite neighborhood escape.

Spice up your week with a Cinco de Mayo celebration that brings the flavor and the fun. Our chefs are serving up south-of-the-border favorites alongside ice-cold cervezas and handcrafted margaritas. Gather your friends, wear your brightest colors, and toast to good times, tiki-style!

Break out the big hats and bow ties, it's time for our annual Kentucky Derby Party! We'll be streaming "The Most Exciting Two Minutes in Sports" live while serving up classic Southern fare and Derby-inspired drinks. Place your friendly wagers, snap some photos, and cheer on your favorite horse in true Derby fashion.

Treat Mom to a day she'll truly enjoy with our special Mother's

Day Buffet. We're pulling out all the stops with a delicious spread designed to satisfy every craving. Reservations are required as we do have limited seating. Give Mom the gift of great food, great company, and zero dishes to wash!

Kick off summer with us this Memorial Day weekend. Whether you're stopping in or gathering with friends, the Grille and Tiki Bar are the perfect spots to relax and recharge. Raise a glass as we honor the holiday and welcome the sunshine season.

Celebrate Dad with bold flavors and hearty favorites. Whether he's a steak lover or a burger enthusiast, we've got something to make his day memorable. Bring the whole family and toast to Dad; he deserves it. With so many exciting events on the calendar, May and June are the perfect time to stop in for a visit.

We can't wait to serve you this summer season!

BellaVita Spa

BellaVita Spa & Fitness Center

By Lee Thompson, Director of Spa & Fitness

As May and June arrive, the shift into early summer brings longer days, rising temperatures, and a renewed opportunity to refine your wellness routine. For those embracing an active lifestyle, this is the perfect time to reset intentions and align daily habits with sustainable health, fitness, and skincare practices.

Start by adjusting your fitness routine to the season. Warmer mornings invite outdoor movement—whether it's a brisk walk, a light round of golf, swimming, or low-impact strength training. Consistency is key, but so is listening to your body. Hydration becomes essential as temperatures climb, so be mindful to increase your water intake before, during, and after activity. Nutrition should also reflect the season. Incorporate lighter, nutrient-dense meals such as fresh fruits, leafy greens, lean proteins, and hydrating foods like cucumbers and watermelon. These not only

support energy levels but also promote healthy, glowing skin from within. Speaking of skin, early summer is the time to prioritize protection and maintenance. Daily sunscreen application is non-negotiable, especially in Florida's strong sun. Pair this with a gentle exfoliation routine and hydrating products to keep skin smooth, balanced, and resilient. Professional treatments can also help refresh and restore your complexion as sun exposure increases. Finally, don't overlook rest and recovery. With busier social calendars and more time spent outdoors, maintaining quality sleep and managing stress will keep your body functioning at its best.

By making small, intentional adjustments this season, you can enjoy all that early summer has to offer while supporting your long-term health, fitness, and skincare goals.

Tennis Talk

By Bruce Payne, Director of Tennis

Marty McMahon's 55-and-over, 7.0 USTA team has earned the right to compete in the 2026 Florida Sectional. This event runs from May 2nd-4th and will determine who represents the Florida section at nationals. Marty's team finished with a 6-2 record in district play but actually clinched the district championship with three weeks to go in the season. Congratulations to Marty and his team, and all the best when you go for the gold in Lake Nona.

We have two new teams competing in USTA league competition this spring. Shelley Ennett's Slamming Aces is a 6.0, 55-and-Over Mixed Doubles Team. Shelley has had a lot of success captaining teams in the past and started this season with a win over Golden Ocala. Shelly hopes to duplicate her district championship from a year ago and represent the Marion District at the Florida sectionals.

Mike Fullerton has put

together a 7.0, 40-and-Over Men's Team to compete in our district this spring. Zero-and-over leagues are unique as they require one court of singles in addition to three courts of doubles. We look forward to a number of league matches at Skyview this season.

Skyview Tennis members are privy to updates in tennis events through a regular distribution of Tennis News. Skyview members and several past members are included in an email distribution list, which permits me to inform/explain/promote tennis events here and elsewhere. Skyview Golf

By Wayne Larsen, PGA, Director of Golf

As the busy golf season at our Club begins to wind down, we're proud of the memorable experiences we've provided to our members and guests. Even as things start to slow, we continue to welcome new members eager to enjoy everything our courses have to offer. The spirit of competition and community remains strong, with plenty of tournaments and events still on the calendar—offering great opportunities for play and connection.

This summer, we will continue the irrigation improvements launched last year on the Oaks course as part of our long-term commitment to better course conditions and playability. This multi-phase project upgrades our system from hydraulic to modern electric, allowing for more precise water control and improved turf health. Work includes new wiring and the replacement of irrigation heads across both courses. You may notice crews in select areas, but disruptions will be minimal, and courses will remain open

throughout. We appreciate your continued patience and support as we invest in the future of Citrus Hills golf.

Results from our recent tournament lineup—including the Skyview Ryder Cup, Citrus Hills Club Championship, Citrus Hills Men's Match Play Championship, Skyview Men's Match Play Championship, and the Men's Member-Guest—can all be found in this edition of Connections.

Whether you're enjoying a casual round with friends or competing in one of our many events, there's always something happening at Citrus Hills. One popular feature is our Fairway Golf Simulator, which lets you experience the game indoors—no matter the weather. With multiple courses, a driving range mode, and short game practice, it's a great way to keep your swing sharp in any season. Be sure to stop by and give it a try!

Golf Tips:

Controlling distance is one of the most important aspects of successful putting. While reading greens and aiming your putter are key components, the ability to control how far the ball rolls is what separates consistent putters from the rest. Good distance control helps eliminate three-putts and leaves you with more makeable second putts—even when your read isn't perfect.

A great way to improve your distance control is by practicing the "In-Between Drill," which emphasizes feel over mechanics. Start about 10 feet from the hole. Your first goal is to hit a putt that finishes a few feet short of the hole—intentionally under-hitting it. On your second putt, aim to roll the ball a few feet past the hole. Now, the challenge: roll a third putt that stops somewhere in between

the first two. This "in-between" target trains your touch and helps you understand how subtle changes in stroke length and tempo affect distance. The key to this drill is consistency. Focus on maintaining the same tempo with each stroke, adjusting only the length of your backswing to change the distance. Repeat the drill from different spots on the green, including uphill, downhill, and sidehill lies, to better simulate on-course conditions.

Practicing this regularly will sharpen your feel and make you more adaptable on the greens. With improved distance control, you'll leave yourself more makeable second putts and avoid those frustrating three-putts that can derail a good round. And who knows—some of those perfectly paced putts might even find the bottom of the cup!

Of all the clubs in your golf bag, proper wedges will help make a difference in your golf game. Having wedges fitted for you can offer several benefits, particularly when it comes to improving your performance and comfort on the course.

1. Enhanced Accuracy: Custom-fitted wedges ensure that the loft, bounce, and lie angles are suited to your swing mechanics, which helps you hit more consistent and accurate shots. Properly fitted wedges give you better control over your approach shots, especially from various lies around the green.

2. Better Distance Control: Fitting a wedge to your specific swing characteristics helps you control the distance more effectively. When the shaft length and grip size are customized, you'll have more consistent distances for your short game.

3. Customized Loft and Bounce: Wedges come with various lofts and bounce angles, and getting a fitting allows you to choose the ones that best suit your swing and playing conditions. This is especially useful for players who struggle with bunker shots, flop shots, or chipping around the greens.

4. Consistency in Your Short Game: A wedge fitting session helps to eliminate the guesswork in your short game. When you're using a wedge that is optimized for your game, you'll find that your shots are more predictable, making it easier to execute various types of shots, from chips to delicate bunker shots.

On May 15th from 10-11:30am and 12-1:30pm Cleveland Golf will be here for a Wedge Fitting and Clinic to find the perfect wedge for your golf game. Call the Skyview Pro Shop to reserve your spot!

Neighborhood News

By Cyle Moses, General Counsel

As many of you have probably already noticed, there have been some changes throughout the communities, particularly with irrigation schedules and the operation of our fountains. I wanted to take a moment to explain what's driving those changes and what you can expect over the next few months.

Citrus County has now been placed under Modified Phase III Water Shortage restrictions, effective April 3rd through July 1st. In practical terms, this means water use is being more tightly controlled across the board due to ongoing dry conditions and strain on our water supply. These are not Citrus Hills' decisions or restrictions, but district-wide requirements imposed by the Southwest Florida Water Management District that apply to residents, businesses, and associations alike.

From a home-owner's perspective, the most noticeable impacts will be reduced irrigation windows and adjustments to watering schedules. Many of you will see changes in when irrigation

systems are running, and in some cases, less frequent watering overall. These changes are necessary to comply with the new restrictions and to avoid enforcement actions.

You will also likely notice that our community fountains are not operating as often as they typically do. Under the current restrictions, aesthetic fountains are limited to a set number of hours per day, so their operation has been reduced accordingly. While we understand this affects the look and feel of certain areas, it is a required conservation measure during this period.

It's also worth noting that associations are not permitted to require increased water use for aesthetic purposes, so landscaping expectations may be temporarily adjusted as well. Please let me know if you have additional questions at moses@citrushills.com.

Rosemary Salmon and Veggies

Ingredients

1-1/2 pounds salmon fillets, cut into 4 portions
2 tablespoons melted coconut oil or olive oil
2 tablespoons balsamic vinegar
2 teaspoons minced fresh rosemary or 3/4 teaspoon dried rosemary, crushed
1 garlic clove, minced
1/2 teaspoon salt
1 pound fresh asparagus, trimmed
1 medium sweet red pepper, cut into 1-inch pieces
1/4 teaspoon pepper
Lemon wedges

Directions

1. Preheat oven to 400°. Place salmon in a greased 15x10x1-in. baking pan. Combine oil, vinegar, rosemary, garlic, and salt. Pour half over the salmon. Place asparagus and red pepper in a large bowl; drizzle with remaining oil mixture and toss to coat. Arrange around salmon in the pan; sprinkle with pepper.
2. Bake until salmon flakes easily with a fork and vegetables are tender, 12-15 minutes. Serve with lemon wedges.

3. Variations: Serve it over a bed of herbed rice pilaf for a fantastic addition to this meal. Try mixing a tablespoon or two of pure maple syrup in with the vinegar. Or even a sprinkle or two of crushed red pepper would add just enough spice to the salmon without overpowering the other flavors.

HOW TO CHOOSE 'UNGUSSABLE' ANSWERS TO SECURITY QUESTIONS

Have you ever clicked "Forgot password?" and been asked to answer a security question? These questions are designed to confirm your identity and protect your account—but if used incorrectly, they can actually make you more vulnerable to hackers.

Common questions like "What is your mother's maiden name?" or "What was your first school?" may seem secure, but the answers are often easy to find. Friends, family,

or even strangers can sometimes discover this information through casual conversations or simple online searches.

Because of this, security questions can be surprisingly weak if you answer them truthfully. A smarter approach is to treat them like an extra password.

Instead of providing real answers, choose something unrelated and difficult to guess—such as a random phrase or combination of words.

For example, answering "LittleRedDrummerBoy" to a personal question makes it nearly impossible for others to figure out. Using the same consistent (but unrelated) answer across accounts can also make it easier to remember.

Taking this simple step can significantly strengthen your account security.

Become a Citrus Hills *Ambassador!*

Share the lifestyle you love. Be recognized for the introductions you make.

Citrus Hills is a special place to call home—and even better when shared with friends and neighbors. With beautiful weather, a relaxed lifestyle, and exceptional amenities, it's only natural to want those you care about to experience it too.

Our Referral Program is designed to recognize residents who share the community they love. From your guests' first visit through closing, we show our appreciation in meaningful ways—and there's no limit to how many friends you can invite.

We invite you to be part of our annual Ambassadors Club Program and continue sharing the lifestyle that makes Citrus Hills so special.

How It Works

1. Submit a Referral:

Share your friend's information before their first visit so we can properly track your introduction and welcome them personally.

2. After Their Visit: \$250 Skyview Restaurant Gift

When your referral completes a scheduled community tour, you'll enjoy a \$250 dining experience at Skyview Restaurant.

3. When They Go to Contract: \$1,000 Gift Card

If your referral enters into a purchase agreement, you'll receive a \$1,000 American Express® Gift Card.

4. At Closing: \$2,000 Gift Card

Upon the successful closing of their new Citrus Hills home, you'll receive an additional \$2,000 American Express® Gift Card. It's our way of thanking you for sharing something truly special.

We look forward to welcoming your friends and recognizing you for the introduction.
