Club News

By Anthony Lambert, General Manager

We would like to extend our sincere thanks to everyone who attended our recent Open Forum Meeting. These meetings are designed to improve communication, provide transparency, provide updates, and give our members the opportunity to ask questions about the Club, community, and ongoing projects. We were pleased to welcome 262 attendees and provide an overview of current initiatives before opening the floor for approximately 90 minutes of questions and discussion.

For those who were unable to attend, we host these meetings approximately every eight to ten weeks and would love

to see you at the next one. Within the next two weeks, we will also be posting a summary on the Club website that includes many of the questions asked, along with follow-up answers and key information that was presented during the meeting. Your participation, feedback, and input are invaluable, and we greatly appreciate everyone who took the time to attend.

Construction continues to move forward on both the Davis Reserve Resort, Pool & Grill, and the Rockwood SportsPlex. One of the most frequently asked questions regarding the SportsPlex involved parking availability. We are pleased to share that an additional parking area is currently being designed on the south side of the facility, providing improved access

to amenities located in that section of the complex. While both projects remain under construction, we will continue to keep everyone informed as soon as definitive completion timelines become available.

Finally, we would like to remind everyone that Skyview Restaurant is now open seven days a week for both lunch and dinner. If you have not visited recently, we encourage you to give us another try. We have placed significant emphasis on enhancing both our food quality and service standards, and we have received many positive comments from members who have noticed the improvements. We look forward to welcoming you soon. Please refer to the Club's website and app for restaurant hours and additional details.

Club Life

By Lisa Malone-Carmain, Club Marketing Director

As we move through the summer months, I want to take a moment to remind everyone that our staff and managers at Citrus Hills are always here to help. If you have questions about a current project, activity, event, or area of the Club, we encourage you to reach out directly to the manager of that department. You can easily find contact information in the Club Directory listed below this article.

You may also use the "Contact Us" pages in the app or on the website, or email me directly at lisa@citrushills.com. If I am unable to assist you, I will gladly forward your message to the person who can. Reaching out to the appropriate staff member is the best way to receive accurate, up-to-date information from those most familiar with the topic, rather than relying on hearsay or secondhand information.

While many members travel

during the summer, we know those who stay appreciate having a place to gather, dine, golf, play tennis, swim, and socialize. The Club remains the heart of our community year-round, and our event calendars continue to be filled with opportunities to connect. We hope you will continue to attend, participate, and enjoy the friendships that make Citrus Hills such a special place to live.

Citrus Hills offers so much more than amenities. It creates friendships, support systems, and a true sense of belonging.

Summer is also a wonderful time to explore the hidden gems around Citrus County and beyond. Be sure to check the back page of this newsletter for upcoming festivals, farmers' markets, nature trails, springs, fishing and kayaking spots, and day trip ideas.

Social Events & Entertainment

By Emily Will, Activities Director

We've been hearing the buzz loud and clear, and we love the excitement. Many of you have been asking when the new Big Show lineup will be announced, and we're happy to share that the wait is almost over!

Mark your calendars for September 17th and join us from 3-5:30pm for our Big Show Preview Party, a complimentary event open to all residents. This will be your very first opportunity to hear the full Spring 2027 lineup. To keep things fair for everyone, the shows will not be announced prior to this event, making it a true first look for those in attendance.

The afternoon is designed to be both informative and enjoyable. We'll have live music from the Natures Coast Players, a cash bar, and a relaxed setting where you can mingle with neighbors, ask questions, and connect with our staff. You'll also have the opportunity to try out our brand-new auditorium chairs and

experience the upgrade firsthand.

During the event, we'll walk you through the benefits of our VIP subscription

package, and you'll have the opportunity to renew or sign up on the spot.

If you're unable to attend (whether you're traveling or still up north), you're welcome to call our staff beginning September 18th, and we'll be happy to assist you over the phone. Renewals for current subscribers will take place from September 17th through the 24th, followed by a seat change period from September 25th through the 30th. New subscriptions will be available October 1st through the 8th, and individual tickets will go on sale beginning October 9th.

We know you'll be as excited as we are about the new lineup and hope to see you at the preview party!

Skyview Restaurant

By Manager Patrick Gillespie

Summer is in full swing at Skyview, and with longer days and warmer evenings comes an exciting lineup of dining, entertainment, and social events. Skyview is now open seven days a week for both lunch and dinner, with expanded live entertainment throughout the week.

One of our newest additions is the Skyview Social Hour, held Mondays from 4 to 5pm in the bar area. These gatherings showcase featured wines, spirits, and appetizers created by Head Chef Jeffrey Scarano, along with live music from 4 to 7pm. It's the perfect opportunity to enjoy a drink and an appetizer before staying for dinner.

July's Social Hour theme is Bourbon, Blues & BBQ, featuring Pork Belly Sliders, Bourbon Chicken Skewers, specialty bourbon cocktails, and live blues music. In August, we'll switch gears with tacos and a margarita flight.

Thanks to the popularity of our Sunday Brunch Buffet, we have expanded brunch offerings with a plated Sunday Brunch Menu available every Sunday except the last Sunday of the month, when the buffet returns. Menu favorites include Steak and Eggs, Chicken and

Waffles, Bailey's French Toast, and Crab Cake Benedict. Live music every Sunday adds the perfect finishing touch to your weekend.

Tunes & Bites continues to be a favorite gathering spot for members and guests. Popular performers such as Lisa Coan, Hippy Gypsy, and Petrina return this summer, along with several new entertainers added to the roster.

Summer theme nights remain a highlight, featuring Steak Nights with rotating chef-inspired toppings, as well as member favorites like Pub Night and the Turkey Night Buffet. Don't miss our Summer Soirée on August 25th, featuring a five-course menu, music, and your chance to dress up in your favorite chic resort-style attire. Our goal is to keep every event fresh, engaging, and focused on exceptional food and hospitality.

From the moment you arrive until the end of your meal, our dedicated team is committed to making you feel right at home.

Grille & Tiki Bar

By Lauren Hodgkins, Jonathan Chavez & Lars Welch, Restaurant Managers

As the heart of summer arrives, the Grille and Tiki Bar are turning up the heat with a vibrant lineup of events, flavors, and festive celebrations throughout July and August. Members can expect a blend of classic summer traditions, bold culinary experiences, and laid-back island vibes that define the spirit of the season.

Seafood lovers can look forward to Hook, Line & Dinner, a fresh seafood night on Thursday, July 2nd. This event will showcase the best Florida seasonal catches, prepared with flair by the restaurant's culinary team.

Independence Day kicks off the summer festivities with a bang at the Grille and Tiki Bar. On July 4th, guests are invited to enjoy an all-American celebration featuring grilled favorites, refreshing cocktails, and live entertainment with Still Rock'n & Friends in the Tiki Bar and Bigger & Better Duo in the Grille. From juicy burgers and smoky barbecue to festive drink specials, the menu captures

the essence of summer. The atmosphere comes alive with music, making it a perfect destination for families and friends to gather and celebrate.

Adding a touch of Southern flair to the summer lineup, Bayou Night brings the bold and spicy flavors of Louisiana straight to the table. Members can savor Cajun and Creole-inspired dishes, all bursting with rich seasoning and authentic character, transporting members to the heart of the Bayou for an unforgettable evening.

With its mix of festive celebrations, fresh flavors, and lively entertainment, the Grille and Tiki Bar continue to be go-to destinations for summer fun. Whether you're celebrating the Fourth of July, indulging in our weekly Feature Menus, weekly theme dinners, or cooling off with a refreshing drink, there's something for everyone to enjoy.

Tennis Talk

By Bruce Payne, Director of Tennis

After an impressive run to clinch the Marion District title against some of Florida's top competition, Marty McMahon's 7.0, 55-and-Over USTA team recently competed in the USTA/Florida Sectional in Lake Nona. Ten teams gathered from around the state to contend for the title. Marty's team went 3-1 in flight play, which qualified them for the semi-finals. Skyview lost 2-1 to the eventual winner from Broward County. That's a tremendous result for Marty's team, who went into the tournament shorthanded. Some of these guys had to play twice per day against the best players in the state.

Congratulations to Marty and his team for another spectacular season of league tennis.

Meanwhile, Shelley Ennett is closing in on another district championship. Her 6.0, 55-and-Over Mixed Doubles team is currently in a tight race with a strong team from Ocala for the district title. Sectional

dates for the district winners have not yet been posted, although the event was held in mid-December last year.

Mike Fullerton formed a 7.0, 40-and-Over team so that some of our less experienced players could get matches against stronger teams. This was a wonderful effort to get more players involved in league play, and we appreciate his efforts.

The next set of leagues available for Skyview members is the Combo Leagues, conducted each fall. Captains will be recruiting their players soon, and they are solely responsible for the makeup of their rosters. If you would like to captain a USTA Combo Team, please let me know as soon as possible. We are ready to dive into a new season of tennis.

Skyview Golf

By Wayne Larsen, PGA, Director of Golf

As part of our ongoing commitment to improving course conditions and enhancing the golf experience, work continues on the major irrigation renovation project that began last summer on the Oaks and Meadows courses. This long-term improvement involves converting our aging hydraulic irrigation system to a modern electric system, providing greater efficiency, improved water management, enhanced turf health, and more precise irrigation control throughout the courses.

Over the past year, significant progress has been made, and work will continue in phases as we replace irrigation heads, install new wiring, and upgrade system components across both properties. Members will continue to see construction activity in both play and non-play areas; however, every effort will be made to minimize disruption to daily play. By completing the project in carefully planned stages, we can continue making these improvements without closing the courses.

We appreciate your patience and support as we continue investing in the long-term health and playability of our golf facilities. These upgrades will provide lasting benefits for both course conditions and the overall member experience.

We want to remind you that all Pro Shop credit won prior to August 1st must be redeemed by August 31st. After this date, any remaining credits from this period will expire and will no longer be valid for use in the Pro Shop.

Our Pro Shops are fully stocked with the latest golf apparel, equipment, and accessories, so it's a perfect time to take advantage of your credits and update your gear. Whether you need new clubs, a fresh outfit for the course, or any other golf essentials, our team is here to assist you with your selections.

We look forward to seeing you out enjoying our golf courses and around the Club!

Golf Tips:

Conquering Florida's Summer Rough

Summertime golf in Florida brings one of the game's toughest challenges—thick bermudagrass rough. During the warmer months, Bermuda grows aggressively, creating dense, wiry lies that make clean contact difficult and shot outcomes less predictable.

One of the biggest challenges is how the grass affects the clubhead through impact. As thick Bermuda wraps around the hosel, it can pull the clubface closed, effectively turning it down and reducing loft. The result is often a shot that flies lower and shorter than expected, with a tendency to go left for right-handed golfers. The deeper the ball sits, the more pronounced this effect becomes.

Proper club selection is critical. Choosing a club with more loft can help offset the loss of loft caused by the rough. Short irons and wedges are usually safer choices, while long irons and fairway woods can be difficult to control. If the ball is deeply buried, focus on simply advancing it back into play.

Position the ball slightly back in your stance and make a controlled, descending swing. Avoid trying to overpower the shot, as swinging harder often increases the rough's influence on the clubhead.

Most importantly, manage your expectations. Sometimes the smartest play is a simple pitch back to the fairway with a high lofted. Understanding how bermudagrass affects the clubface and making disciplined decisions can save valuable strokes during Florida's summer golf season.

Looking for a quality pair of sunglasses for the Florida sun? Revo sunglasses can significantly enhance both your golf game and overall outdoor experience by providing exceptional visual clarity, comfort, and eye protection. Their advanced polarized lens technology reduces glare from bright surfaces such as fairways, sand traps, water hazards, roads, and lakes, allowing you to see more clearly and comfortably in sunny conditions. For golfers, this improved clarity can make it easier to track the ball in flight, distinguish subtle changes in terrain, and better identify breaks and contours on the course.

The lenses are designed to enhance contrast and definition, helping golfers see the difference between various shades of grass and read course conditions more effectively. During a long round of golf, Revo sunglasses can also reduce eye strain and fatigue by filtering harmful UV rays and

minimizing the harsh effects of bright sunlight.

Beyond golf, Revo sunglasses are ideal for a wide range of outdoor activities, including hiking, fishing, boating, cycling, and driving. Their lightweight frames provide all-day comfort, while durable, impact-resistant lenses stand up to active lifestyles. Many models also feature coatings that repel water, sweat, dust, and smudges, helping maintain clear vision in changing outdoor conditions.

Upgrade your vision with Revo sunglasses and enjoy sharper contrast, reduced glare, and all-day comfort both on and off the course. During July and August, receive 10% off any pair purchased at the Skyview Pro Shop. Summer is the perfect time to add a stylish, high-performance pair of sunglasses to your wardrobe.

Neighborhood News

By Cyle Moses, General Counsel

As many residents are aware, Citrus County remains subject to the Southwest Florida Water Management District's Modified Phase III Water Shortage Order. The current order is scheduled to expire on July 1, 2026.

As of the date of drafting this newsletter, SWFWMD has not announced an extension, modification, or replacement of the current order. While no one can predict the district's final decision, several outcomes are possible. SWFWMD could allow the order to expire and return to normal year-round watering restrictions, reduce restrictions by moving to a less severe shortage phase (phase 1, phase 2, etc.), extend the current Phase III order, or adopt a different water shortage order based on current conditions and available data (phase 4, etc.).

With the summer rainy season underway, the district will continue monitoring rainfall totals, aquifer levels, lake levels, and overall water supply conditions before determining whether any additional restrictions will be

necessary after July 1st. Until any changes are officially announced, residents should continue following the current watering requirements.

We are also pleased to share positive updates regarding our two newest community projects. The renovation of the Rockwood SportsPlex within Terra Vista is making excellent progress, and we are getting much closer to completion. Likewise, construction of the new Davis Reserve Clubhouse is advancing steadily.

Both projects represent significant investments in our communities and will enhance the amenities and lifestyle enjoyed by our residents. While there is still work to be completed, the progress made over the past several months has been substantial.

We expect to have more details to share in the not-too-distant future and look forward to providing additional updates as these projects continue to take shape.

Fresh Peach & Blueberry Summer Salad

Take advantage of Florida's summer fruit with this light, refreshing salad that's perfect for lunch, a picnic, or a quick side dish.

Ingredients

- 4 cups Mixed Greens
- 2 ripe Peaches, sliced
- 1 cup fresh Blueberries
- ¼ cup crumbled Feta Cheese
- ¼ cup Chopped Pecans
- 2 tbsp. Olive Oil
- 1 tbsp. Honey
- Salt and Pepper to taste

Directions

In a large bowl, combine mixed greens, peaches, blueberries, feta, and pecans. In a small bowl, whisk together olive oil, honey, balsamic vinegar, salt, and pepper. Drizzle

the dressing over the salad and toss gently to combine. Serve immediately.

Tip: Add grilled chicken or shrimp to turn this simple summer salad into a complete meal.

PROTECT YOUR COMPUTER FROM INFECTED DOWNLOADS

Downloading free software can be convenient, but it's important to stay vigilant. Even reputable download sites can occasionally become targets for hackers, who may attempt to replace legitimate files with virus-infected versions.

One of the best ways to protect yourself is to download software only from trusted sources. However, regardless of where a file comes from, it's always a good idea to scan it for viruses before installing it.

Windows users can quickly check

a downloaded file by right-clicking it and selecting the scan option provided by their antivirus software. This simple step can help identify many common threats before they reach your system.

For an added layer of protection, consider using the free online service VirusTotal.com. Simply

upload the downloaded file, and VirusTotal will scan it using dozens of leading antivirus engines. If all scanners report the file as clean, you can feel much more confident about installing it. Also, check out your free downloads from a trusted repository like OlderGeeks.com, which can go a long way towards ensuring that the software you install is safe and malware-free.

A few extra minutes spent checking your downloads can help protect your computer, your personal information, and your peace of mind.

Start your day feeling refreshed, energized, and ready to move! This class focuses on improving mobility, flexibility, and functional movement for activities on the tennis and pickleball courts, the golf course, and everyday life. Therese will guide participants through a blend of dynamic stretching and movement exercises designed to wake up the joints and improve range of motion.

This class includes floor work, so please bring a mat and water.

Morning Stretch

with Therese

On the Davis Reserve Lawn

Come stretch, move, and feel your best!

HOT YOGA

with Stephanie

Saturdays, July 4th, 11th, 18th & 25th
8:30–9:30am ☀ Davis Reserve Lawn

Join Stephanie for an energizing outdoor hot yoga class designed to build strength, improve flexibility, increase circulation, and support relaxation through breath-led movement. This class blends held poses, flowing movement, and deep stretching to help you feel stronger longer, and more refreshed.

Please bring a mat, water, and a towel. Wear light, moisture-wicking clothing and come prepared with sunscreen, sunglasses, and a hat as needed.

Health Note:

Outdoor heat varies. Please avoid heated workouts if you are pregnant, heat-sensitive, or managing certain medical conditions unless cleared by your doctor. Hydrate well before and after class!
