Club News

By Anthony Lambert, General Manager

We're excited to introduce a new way to celebrate one of life's special occasions right here at Skyview Restaurant! Members are invited to celebrate their birthday with us during their birthday week on Thursday, Friday, or Saturday.

When you arrive, your table will be beautifully set with a crisp white tablecloth and elegant birthday decorations, creating a special atmosphere from the moment you sit down. The member celebrating their birthday will receive 50% off

their entrée, and we'll finish the evening with a complimentary birthday dessert prepared by our chef. It's our way of helping make your special day even more memorable.

Reservations are required so our team has plenty of time to prepare your table and ensure every detail is ready for your celebration. We invite you to gather your family and friends and make Skyview part of your birthday tradition!

Meanwhile, our two new amenity projects continue to move forward as work progresses. We're also excited to share that names have officially been selected for both

facilities: Rockwood Lawn & Paddle Club and The Wave at Davis Reserve. We feel both names are a perfect fit for these exciting new amenities and what they will bring to the Country Club and community. We look forward to sharing more updates as construction continues.

Finally, a quick reminder: We respectfully ask that all members carry their Membership Card with them whenever using Club facilities. This helps us ensure that everyone enjoying our amenities is a current member and allows our team to better identify those using the Club. Thank you for your cooperation and continued support!

Club Life

By Lisa Malone-Carmain, Club Marketing Director

We are entering my favorite time of the year at the Club! The snowbirds are returning, the weather is cooling off, and our events and activities are taking off!

Have you met the newest personality at Citrus Hills? Our fun-loving Tiki mascot has been making appearances around the Club, greeting members, posing for photos, and bringing smiles wherever he goes—but there's one thing missing...a name!

Now it's your chance to make Citrus Hills history by helping us choose the perfect name. Submit your most creative, tropical-inspired idea for our island ambassador, and you could be the member who gives him his official identity! Once entries close, a panel will select the top finalists, and members will have the opportunity to vote for their favorite. The winning entry will receive a special prize and, of course, lifelong bragging rights for naming one of Citrus Hills' most recognizable faces.

Watch your email, the Citrus Hills app, ClubHappenings.com,

and this newsletter for contest details, entry dates, and the grand prize announcement. We can't wait to see what creative names our members come up with, and we hope you've been enjoying spotting him around the Club, stopping for photos, and interacting with him at Club events (he's a great dancer!).

We have a new Facebook page for Davis Reserve! You can find it by searching for Davis Reserve at Citrus Hills. It's a great way to see photos from events on the lawn, follow the build process, and keep an eye out for when the new clubhouse, restaurant, and bar will open around the pool. We are excited about this new amenity and know you will be as well. Imagine sipping a cocktail, ordering a meal, and listening to live music all from the comfort of your beach chair poolside! Stop by the page and give us a follow!

Social Events & Entertainment

By Emily Will, Activities Director

At Citrus Hills, fun is never one-size-fits-all, and it certainly never stands still. We're always searching for new ways to bring neighbors together, create memorable experiences, and keep the community calendar fresh and exciting.

One of the best examples is our upcoming Murder Mystery Dinner Theater in October, *The Dink of Death*. Although we have hosted murder mysteries in the past, those productions were presented by outside companies. This time, we are doing something completely new.

Rather than outsourcing the show, we have created the entire experience from the ground up. Every element has been developed in-house, including the original storyline, characters, clues, evidence, audience questions, interactions, and unexpected twists. This is not a prepackaged production brought to our stage. It is a one-of-a-kind mystery customized specifically for our community, by yours truly!

We have also taken what we learned from previous murder mystery events and used those experiences to improve the format. The plot will be easier to follow, the clues will be more meaningful, and designated actors will

arrive prepared after learning their roles in advance. At the same time, we will preserve the audience participation, humor, and spontaneity that make these evenings so entertaining. We are confident this original production will be a killer success and leave guests dying for more!

Best of all, the story unfolds at a country club that may seem uncannily familiar. Behind the friendly staff, sports programs, and dining experiences, something sinister is brewing. When a shocking crime disrupts the evening, the audience must question the suspects, examine the evidence, and determine who is telling the truth.

You will be dying to meet our colorful cast of personalities, each with suspicious secrets, questionable motives, and plenty to hide. To meet the suspects, follow the clues, enjoy dinner, and solve the crime, you will simply have to join us on the evening of October 30th. We are always reinventing fun, and this mystery may be our most dangerously entertaining creation yet!

By Manager Patrick Gillespie

After a busy summer at Skyview, we're looking forward to cooler days, the holiday season, and an exciting lineup of events for our members.

Our Monday Socials have become such a favorite that we've expanded them from one hour to three! Held every other Monday, these relaxed evenings feature wine tastings, craft cocktail specials, or bourbon pairings, all complemented by a specially curated appetizer menu from our culinary team. Add live music and great company, and it's the perfect way to unwind with friends. Be sure to join us for "Sip & Share" in September and "Sips & Screams" in October.

We're also welcoming fall with a delicious Harvest Buffet featuring seasonal favorites like Stuffed Pork Loin, hearty Beef Stew, and Cranberry Balsamic Chicken—comfort food that's perfect for the season.

Our popular Wine Dinner Series continues with an Italian Wine Dinner in September, where each course is expertly paired with exceptional

wines. In October, we're adding a spooky twist with our Horror Movie Wine Dinner, where every course is inspired by a classic horror film and thoughtfully paired with wine. Seating is limited to just 50 guests, so be sure to reserve your table early.

Of course, one of the biggest highlights of the season is our annual Halloween Costume Party! Join us for a frightfully fun evening featuring live entertainment by your favorite, Petrina, festive food and drinks, and a costume contest with multiple prize categories. Come dressed to impress and enjoy one of the most anticipated parties of the year.

Whether you've just finished a round of golf, are meeting friends for lunch, or are planning a special evening out, our team looks forward to welcoming you to Skyview and making every visit a memorable one.

BellaVita Spa & Fitness Center

By Lee Thompson, Director of Spa & Fitness

As September and October arrive, many of us begin looking forward to a change of pace. While Central Florida may not experience the crisp temperatures of fall quite yet, these months are the perfect time to refresh your wellness routine and refocus on feeling your best. BellaVita Spa and Fitness Center, PrimoVita Fitness, and the Davis Reserve Lawn & Outdoor Fitness Stations offer everything you need to make wellness a priority this season.

After months of Florida heat and humidity, your body may be ready for some extra attention. At the fitness centers, consider changing up your routine with activities that keep you moving while remaining mindful of the lingering temperatures. Strength training, stretching, low-impact cardio, swimming, and group fitness classes are excellent ways to improve strength, flexibility, balance, and endurance. Remember, staying active doesn't have to mean pushing yourself to the limit; it's about finding activities you enjoy and making movement a consistent part of your lifestyle.

The spa can provide the perfect complement to your fitness routine. A relaxing massage can ease

muscle tension after exercise, while nourishing skincare treatments can help restore skin that has been exposed to months of Florida sunshine. Taking time to relax and recharge is just as important as staying physically active.

This fall, think of wellness as a balance between movement and restoration. Whether you're working up a sweat in the fitness center or unwinding with a rejuvenating spa treatment, make this season about investing in yourself. After all, feeling good is always in season!

Tennis Talk

By Bruce Payne, Director of Tennis

It's a great time of year for tennis. As we ease into fall, we will see the return of leagues, socials, and "Shot of the Week" beginning September 1st at 11am. "Shot of the Week" is a free weekly clinic for Skyview members. Be sure to sign up in advance and plan on hitting a lot of balls. We can't wait to get started.

Fall is combo time for USTA players. Monty Shelton will captain a men's 6.5 team and Sarah Collinson will captain a 7.5 team for the ladies.

CADL returns on Thursdays in October, with Helen Sweeney returning as captain and Tracy Shisler as co-captain. CADL matches at Skyview start at 10:30am.

After one year off, CASL returns to the Tuesday lineup. CASL is a local league targeting 3.0 and 3.5 women in Citrus County. CASL matches will begin at 1pm on Tuesdays. Match schedules for our fall leagues have not

been posted yet, but we will keep you posted when they are. We invite all Citrus Hills members to join us on the observation deck to watch our Skyview teams in action.

As is often the case this time of year, we have compiled a list of chores to address at both tennis facilities. Citrus Hills will get fences repaired, light poles painted, and courts resurfaced. Skyview will be measured for new canopies to be custom-made and installed when ready. Canopy frames will also get a coat of paint, and we'll be ready for another great year of tennis.

Be sure to catch the next Newsletter tennis article, the website, and the app for details of our next tennis social on November 1st.

Tournament pro shop credit is one of the great perks of competing in our events, and we want to make sure everyone has ample opportunity to enjoy their winnings.

In the past, members were required to redeem all tournament shop credits earned prior to August 1st by August 31st. Beginning this year, tournament pro shop credits will be redeemed on a twice-yearly schedule, with redemption deadlines at the end of April and the end of October.

Therefore, going forward, tournament credits earned prior to October 1st must be redeemed by October 31st, and tournament credits earned prior to April 1st must be redeemed by April 30th.

We encourage everyone to keep an eye on their balances and take advantage of the great merchandise available in our pro shops. Any unused tournament credits remaining after the applicable redemption date will expire.

Fall means fresh fairways! Please take a moment to review the upcoming overseeding dates and locations on this page and mark your calendars. While temporary course closures are

necessary during this important annual maintenance, the result is lush green fairways and outstanding playing conditions throughout the winter golf season. Thank you for your patience as we prepare the courses for another great season of golf.

Booking tee times at the Oaks, Meadows, and Skyview courses is quick and convenient with our Club's app. Simply search "Citrus Hills" in your app store, download the app, select the "Tee Time" option on the home page, and create an account. The app provides real-time availability, ensuring you can easily find and book the perfect tee time. Additionally, you can manage and modify your bookings directly through the app.

We are finalizing a full calendar of events, including member-guest tournaments, weekly leagues, monthly scrambles, and instructional clinics. There will be plenty of opportunities to play, compete, and connect with fellow golfers throughout the upcoming season.

Golf Tips:

The significance of focus on alignment and mastering short putts cannot be overstated, considering how tempo can enhance precision. Developing a routine for short putts, including a reliable pre-shot routine, helps build consistency and confidence under pressure. Incorporating these mental and technical aspects into practice sessions is essential for honing short putting skills. By emphasizing the significance of short putts and dedicating focused practice time, golfers can enhance their overall performance and become more effective on the greens.

Improving short putting requires a combination of mental and technical aspects. Firstly, maintaining focus and confidence is vital. Golfers need to approach short putts with a positive mindset, visualizing successful strokes and trusting their abilities. Technically, refining the putting stroke is crucial. A consistent, controlled pendulum-like motion helps maintain accuracy on short putts. Practicing with a specific

Overall, the majority of strokes taken in golf occur on the putting green, and nothing contributes more to inflating your score than the act of 3-putting. In the next installment of Golf Tips, I will delve into techniques to ensure that your second putts are consistently shorter. This involves an effective approach to putting from greater distances, commonly known as lag putting.

Neighborhood News

By Cyle Moses, General Counsel

As many residents have likely noticed, work continues at the intersection of County Road 486 and Ottawa Avenue. This project involves the construction of a new golf cart crossing, which is now nearing completion.

The crossing will provide a safer way for golf carts to travel between Davis Reserve/Brentwood and Terra Vista. As the project is finalized, we will publish separate information explaining how the crossing is to be used, along with any applicable traffic rules.

As our communities continue to grow, we would also like to remind everyone to remain mindful while traveling throughout our neighborhoods. More homes are being completed, more families are moving in, and more pedestrians, bicyclists, and golf carts are using our roadways each day. Please slow down, obey posted speed limits, and drive

attentively.

We also ask that residents keep their dogs on a leash whenever they are outside the home. We understand that many pets are beloved members of the family, but leashes help protect your pet, your neighbors, and others who may be walking, cycling, or enjoying the community amenities.

Finally, the Southwest Florida Water Management District's Modified Phase III Water Shortage Order has been extended through October 1st. Until the District announces any changes, all residents should continue following the current watering restrictions. We will continue to monitor updates from SWFWMD and keep everyone informed if the order is modified or lifted.

Apple Cider Glazed Chicken Thighs

Prep time 5 minutes | Cook
time 35 minutes | Serves 4

Ingredients

- 2 cloves garlic
- 1 cup apple cider or unfiltered apple juice
- 1 (2-inch) fresh rosemary sprig
- ¼ teaspoon Dijon mustard
- 2 pounds bone-in, skin-on chicken thighs (4 to 6)
- ½ teaspoon kosher salt
- ¼ teaspoon freshly ground black pepper
- 2 teaspoons vegetable oil
- 2 tablespoons unsalted butter

Directions

Arrange a rack in the middle of the oven and heat the oven to 350°F.

Smash 2 garlic cloves and place in a small saucepan. Add 1 cup apple cider, 1 fresh rosemary sprig, and ¼ teaspoon Dijon mustard. Stir and bring to a boil, uncovered, over medium-high heat. Boil until reduced to ¼ cup, 15 to 20 minutes. Meanwhile, start cooking the chicken.

Pat 2 pounds chicken thighs dry with paper towels, then season with ½ teaspoon kosher salt and ¼ teaspoon black pepper.

Heat 2 teaspoons vegetable oil in a large frying pan or cast-

iron skillet over medium-high heat until it shimmers. Place the chicken skin-side down, and cook undisturbed until the skin is browned and the chicken releases easily from the pan, adjusting the heat if the skin begins to burn, 8 to 10 minutes.

When the glaze is ready, whisk in 2 tablespoons unsalted butter until melted, then remove from the heat. When the chicken is ready, transfer it to a plate. Carefully pour off all but 1 tablespoon of the fat in the pan. Return the chicken to the pan skin-side up, and spoon the glaze evenly over it.

Transfer the pan to the oven

and bake for 5 minutes. Spoon some of the glaze in the pan back over the chicken, then continue baking until the chicken reaches an internal temperature of 165°F, 5 to 7 minutes more. Turn the oven on to broil, and broil until the skin is dark golden brown and the sauce is bubbling, 1 to 2 minutes.

LEARN HOW TO DO ALMOST ANYTHING WITH YOUTUBE

There was a time when learning a new skill meant buying a book, taking a class, or hiring someone to do the job for you. Today, thanks to the Internet—and especially YouTube—help is just a few clicks away.

Whether you're looking to plant a new flower bed, trim shrubs into decorative shapes, program your television remote, set up a new smartphone, or learn how to use a new kitchen appliance, chances are there's a free video that walks you through the process step by step.

Using YouTube couldn't be easier. Simply visit www.youtube.com and

type a few words describing what you'd like to learn. Within seconds, you'll find videos created by professionals and experienced hobbyists demonstrating everything from home improvement projects to gardening tips, cooking techniques, technology tutorials, and even travel planning.

Not every project should be a do-it-yourself endeavor, of course. For tasks

involving electrical work, plumbing, or anything that could pose a safety risk, it's always best to call a qualified professional. But for many everyday questions and household projects, YouTube can be an incredibly helpful resource.

Think of it as your personal learning library, available whenever you need it. Whether you're trying something new, brushing up on a forgotten skill, or simply looking for helpful tips, you may be surprised by how much you can learn in just a few minutes.

The next time you're faced with a project or have a question, try searching YouTube first—you just might discover your new favorite teacher!
