Club News

By Anthony Lambert, General Manager

We recently hosted an open forum meeting attended by approximately 325 members. During the meeting, we shared information about our two exciting new amenities, Rockwood Lawn and Paddle Club and The Wave at Davis Reserve. Cyle Moses and I fielded questions and received many positive comments from those in attendance. We were delighted to see such a strong turnout and sincerely appreciate everyone who took the time to join us.

Steve Terrana, our Club Controller, also provided an overview of our new online member portal, which will launch on November 11. This portal will allow members to view their Club transactions and dues billings, as well as pay their dues statements online. The portal will be available to all members. For those currently enrolled in the Club's ACH program, nothing will change. Your dues payments will continue to be processed automatically, while providing you with the added convenience of viewing your transactions and billings online.

As we welcome 2027, we remain focused on delivering the exceptional lifestyle, amenities, and experiences that make Citrus Hills Country Club such a special place to belong. We recognize that rising costs and the effects of inflation have placed a burden on households everywhere, and we understand that our members are feeling these increases in their everyday lives. With that in mind, we have made every effort to be as thoughtful and mindful as possible in managing Club expenses and determining our dues adjustment, while helping our members navigate these challenging economic conditions.

For 2027, quarterly dues for Charter Social Memberships will reflect a 3.93% adjustment, in line with the year-over-year increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). We believe this modest adjustment represents a

Social Events & Entertainment

By Emily Will, Activities Director

The holidays are nearly here, and we have several festive opportunities planned to help you prepare for the season.

First is our Holiday Boutique on Tuesday, December 1st, in the Hampton Room. As one of the Club's oldest annual events, the boutique has been part of our holiday tradition for many years. If you have never attended, pop your head in and see what you have been missing! It is open to the public, so bring your friends and enjoy complimentary coffee and cookies to help fuel your shopping spree.

More importantly, the Holiday Boutique is a wonderful opportunity to support local small businesses, something especially meaningful to vendors during the holiday season. You will find plenty of creative and unique gifts for nearly everyone on your list.

Searching for the perfect look for your holiday parties and outings? KenEmporio will bring a Holiday Fashion Pop-Up Boutique to the Activity Center on Saturday, December 12th, featuring festive fashions to help you celebrate in style.

If you have been tasked with bringing something delicious to a gathering, our local bakery pop-ups have you covered. Happening in both November and December, they will feature everything from fresh sourdough loaves to holiday cakes and beautiful cookie displays. Gluten-free options will also be available.

Of course, these are just a small sampling of the incredible number of holiday events happening around the Club. Be sure to explore all the festivities and discover the special experiences that will make your holiday season even more memorable! Between holiday trivia, day trips to see dazzling Christmas lights, seasonal crafts, shopping events, and much more, there is truly something for everyone. We hope you will join us in celebrating the season!

Skyview Restaurant Director of Restaurant Services Juan Casanova, Manager Patrick Gillespie, Assistant Manager Megan Raynes

At Skyview Restaurant, great dining is about more than what arrives on the plate. It's about the entire experience—from the moment you are welcomed to your table to the final farewell at the end of the evening. With that in mind, we are introducing several enhancements designed to elevate the Skyview dining experience.

One area receiving special attention is our wine program. We are revitalizing the wine list with an expanded selection of distinguished Old-World wines and expressive New World offerings, bringing greater variety in regions, styles, and flavor profiles. The refreshed collection will complement Chef Jeff Scarano's cuisine while giving members an opportunity to explore new selections and perhaps discover a new favorite.

Our popular wine dinners will remain an important part of the program, pairing thoughtfully selected wines with elevated five-course menus and creating evenings centered on great food, wine, and conversation.

At the same time, we are refining our approach to service and hospitality. Enhanced staff and management training will focus on menu knowledge, communication, course pacing, attentiveness, and better understanding individual preferences. The goal is simple: knowledgeable, confident service that feels polished and professional while remaining warm and personal.

These enhancements are part of a broader vision for Skyview—to create a dining experience distinguished by excellent cuisine, an engaging wine program, and gracious, consistent service. We want Skyview to be a restaurant our members look forward to visiting and are proud to share with family and friends.

And with the holiday season just around the corner, there's no better time to experience Skyview. We invite you to join us for delicious dining, festive gatherings, and plenty of fun as we celebrate this special time of year together. We're excited about all that's ahead and look forward to continuing to make Skyview a special place for our members to gather, dine, and enjoy time together.

BellaVita Spa & Fitness Center

By Lee Thompson, Director of Spa & Fitness

As the holiday season approaches, November and December invite us to slow down, reconnect, and make time for what matters most. At Citrus Hills, our Spa and Fitness Department is here to help you feel your best throughout this festive and often busy time of year.

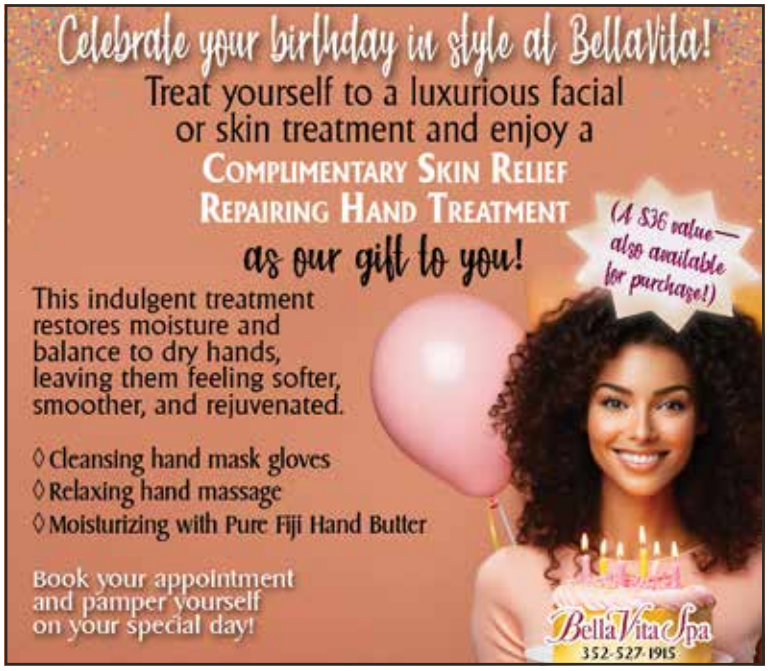

November is the perfect month to refresh your wellness routine and give your skin and body a little extra attention. Cooler, drier weather can leave skin feeling less hydrated, making this an ideal time to explore our curated spa products. Our Obagi skincare collection offers targeted solutions to help support healthy, radiant skin, while FarmHouse Fresh body products provide nourishing, luxurious care with delicious organic scents.

December brings celebrations, gatherings, and the joy of the holiday season. Amid the festivities, remember that wellness can be part of the celebration. A morning workout, restorative stretch, or rejuvenating spa treatment can provide the perfect opportunity to recharge. Pair your visit with one of our beautiful skincare or body-care products for an at-home extension of your spa experience.

The holidays are also a wonderful time to give the gift of wellness. Consider treating someone special to an indulgent spa experience or a thoughtfully selected Obagi or FarmHouse Fresh product. The Spa at BellaVita sells gift certificates year-round, so your friends and family can choose what suits their interests and craft their own experience.

As we close out the year, we invite you to pause, renew, and prepare for the year ahead. Our Spa and Fitness team looks forward to making wellness a beautiful part of your holiday season.

Tennis Talk

By Bruce Payne, Director of Tennis

Happy holidays from all of us at Skyview and Citrus Hills Tennis Centers. This has been a wonderful year for tennis, and there's more to come. November 1st is the date for our next tennis social at Skyview. It will include two hours of mixed doubles tennis followed by food and drink at the Tiki Bar for those who are so inclined.

The hard courts at Citrus Hills have recently undergone a major update. The courts have been resurfaced; the fence and light poles have been painted, and some fencing and LED light panels have been replaced. The result is absolutely stunning. We appreciate your glowing feedback on the project and can't wait to start a New Year of tennis!

Shelley Ennett's USTA 55-and-over mixed doubles team won the Marion District way back in June. The team has qualified for sectional competition in Lake Nona, but that event has been moved from December to January. Shelley is personally recovering from shoulder surgery but will be able to attend as captain and head cheerleader. All the best to Shelley and her team when they take on Florida's best next year.

While CADL and CASL leagues are already in full swing, USTA teams are just now forming for a new season in 2027. Captains, who are solely responsible for their rosters, are preparing for another year of 55-and-over adult league competition. This is our busiest league season of the year, and we can't wait to get started.

Happy New Year to our members and staff. May all your tennis dreams come true.

Skyview Golf

By Wayne Larsen, PGA, Director of Golf

As we prepare for another busy golf season at Citrus Hills Golf & Country Club, we're excited about what's ahead for our members and guests. Our maintenance teams have been busy over the past several months preparing all three courses for the winter season, including completing overseeding. With that work now finished and ongoing attention from our grounds crews, the courses are in excellent condition and ready for another great season of golf.

While much of the preparation takes place behind the scenes, our focus remains on providing a consistent, well-organized experience across all areas of the golf operation. From course preparation and tournament coordination to daily golf services, our staff takes pride in maintaining the standards our members have come to expect from Citrus Hills.

The golf staff has also put together a full calendar of events and activities, with something for players of all levels. Member-Guest tournaments, weekly leagues, monthly scrambles, instructional clinics, putting challenges, and other events will provide plenty of opportunities to play, compete, improve your game, and spend time with fellow members.

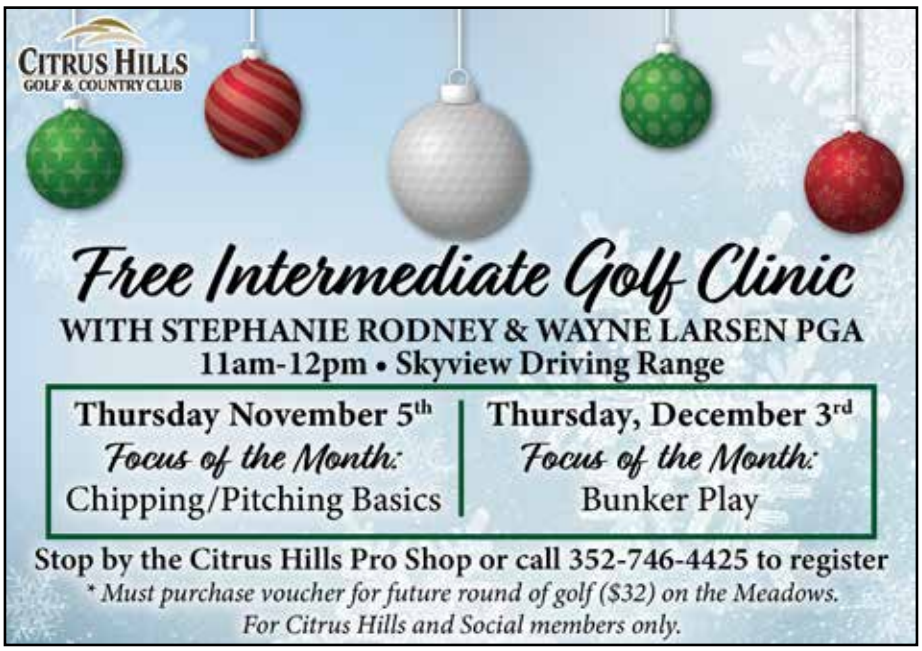

As the holiday season approaches, don't forget to stop by the Pro Shops, where you'll find a wide selection of Citrus Hills and Skyview logoed apparel and gift items for friends, family, or yourself. We'll also have several club-fitting opportunities throughout the season featuring the latest equipment and technology from leading manufacturers.

We appreciate your continued support and participation in our golf programs. It's our members who make Citrus Hills such a great golf community, and we look forward to seeing everyone out on the courses this season.

For information on upcoming events, programs, fitting days, and other golf updates, visit the Club website or check the Citrus Hills Club app.

Golf Tips:

Bunker Play

By following the steps below and practicing consistently, you can improve your bunker play and tackle this challenging aspect of the game with confidence.

Select the right club. Typically, a sand wedge is the club of choice for bunker shots due to its loft and bounce design. Choose the club that allows you to clear the lip of the bunker with ease.

Stand with your feet shoulder-width apart and open your stance slightly. Position the ball slightly forward in your stance, closer to your front foot.

Grip the club slightly lower down the handle to increase control and avoid digging too deeply into the sand.

Visualize the trajectory and landing spot for your shot. Aim to strike the sand a couple of inches behind the ball to ensure a clean contact.

Focus on maintaining a smooth and consistent swing tempo. Avoid decelerating or rushing through the shot, as this can lead to mishits.

Aim to strike the sand just behind the ball with a descending blow. This will allow the sand wedge's bounce to slide under the ball, lifting it out of the bunker.

After striking the sand, continue your swing with a full follow-through. This helps ensure a clean and crisp contact with the ball.

Practice controlling the distance of your bunker shots by varying the length of your backswing. Experiment with different swing lengths to find the right distance for the shot at hand.

Keep your body and mind relaxed throughout the shot. Tension can negatively affect your swing and result in poor contact.

Bunker shots require practice to master. Spend time on the practice range honing your technique and gaining confidence in your ability to escape bunkers effectively.

Retail and Pro Shops

By Stephanie Rodney, Assistant Golf Professional/ Merchandiser

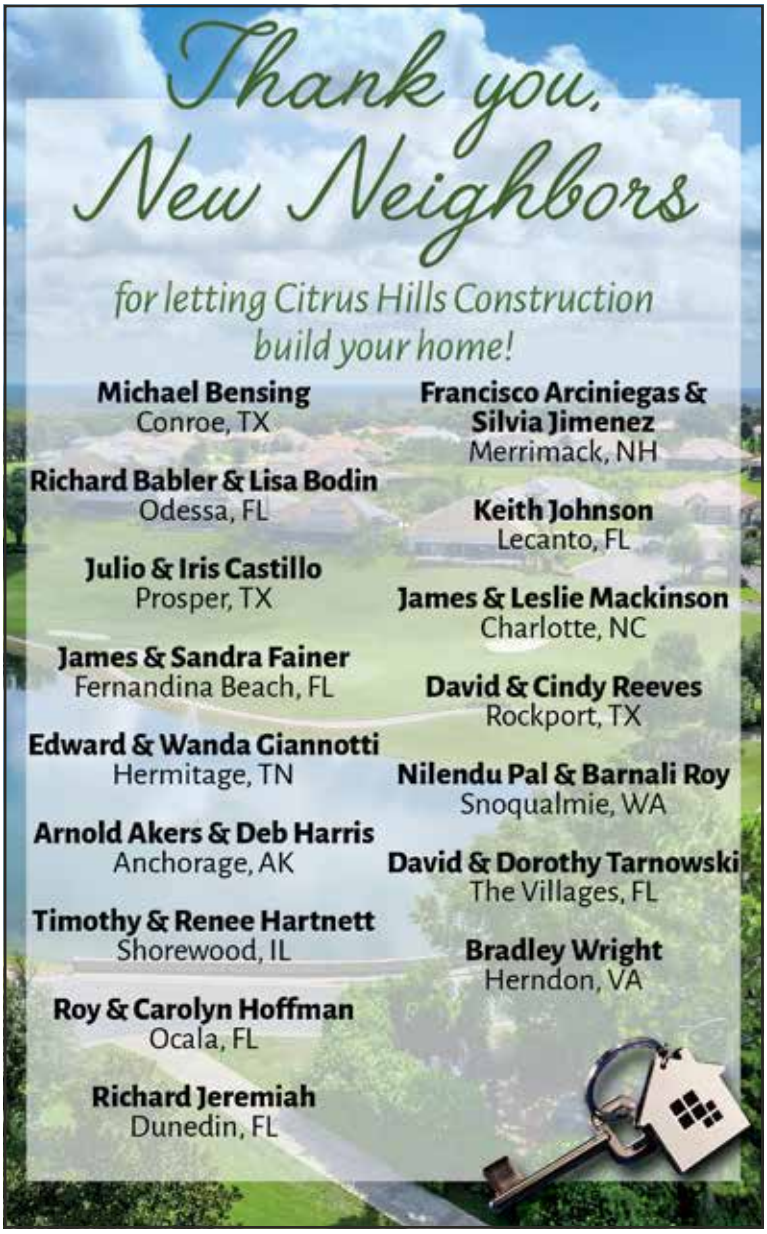

As we approach the end of 2026, I would like to thank everyone for their continued support of the Citrus Hills and Skyview Pro Shops. We truly appreciate your loyalty throughout the year and look forward to helping you enjoy another wonderful year of golf!

Finding the perfect gift for the golfer in your life is easy with thoughtful items they'll enjoy every time they step onto the course. For most golfers, an embroidered golf towel featuring the Club's logo is both a practical accessory and a lasting keepsake. Pair it with a personalized or engraved golf ball marker for a unique gift they'll use and appreciate during every round.

If you're shopping for the avid golfer, consider gifts designed to elevate their game. Premium golf balls such as the Titleist Pro V1, TaylorMade TP5, or Callaway Chrome Soft Tour deliver exceptional performance and are always a welcome addition to any golf bag. A Bushnell Tour V7 laser rangefinder provides accurate yardages to help golfers play with confidence.

This holiday season, each shop will host its annual Holiday Shopping Party. Skyview's Shopping Party will be held on Friday, December 11th, from 5:30–7:30pm at the Skyview Pro Shop. The Citrus Hills Holiday Shopping Party will be held on Tuesday, December 8th, from 5:30–7:30pm at the Citrus Hills Pro Shop. Enjoy complimentary wine and cheese while discovering sparkling deals on a variety of merchandise, including hats, men's and women's apparel, and much more. It's the perfect opportunity to check a few names off your holiday shopping list while enjoying a festive evening with fellow members!

Warmest wishes for happy holidays and a blessed New Year!

Neighborhood News

By Cyle Moses, General Counsel

As November begins and cooler months approach, we welcome back our returning residents and wish everyone a happy holiday season. It's truly the best time to reconnect with neighbors and enjoy our community with family and friends.

Holiday decorations add warmth to our neighborhoods. As you decorate, please keep displays tasteful and considerate of your neighbors, particularly when it comes to lighting, sound, and operating hours. Position decorations and cords so landscape providers can safely maintain lawns and planting beds without interference. Your association's Board can answer questions about what decorations are permitted and any applicable guidelines.

With returning residents and holiday visitors, our shared roadways will be busier. Please slow down, observe posted speed limits, and watch for pedestrians, bicyclists, and golf carts. When hosting gatherings, remind guests to park where permitted and keep intersections, driveways, and sightlines clear so everyone can travel safely.

Please also remember that our gates require a full stop before proceeding. Do not tailgate another vehicle through an entrance. Direct your guests to the front entrance, where gate staff can assist them with access.

Returning Brentwood Farms residents who need their license plate information uploaded into the license plate reader (LPR) system may speak with front gate staff or contact our Membership Office for assistance.

Finally, the Southwest Florida Water Management District's water shortage order has been extended through March 31, 2027. Please continue following the applicable watering restrictions throughout the cooler months and remain mindful of water conservation.

Thank you for helping keep our neighborhoods safe, welcoming, and enjoyable. We wish you and your families a peaceful and happy holiday season.

MEET THE CHEFS

THE PEOPLE BEHIND THE PLATES

Chef Jeff Scarano

EXECUTIVE CHEF | SKYVIEW AT TERRA VISTA

A PASSION FOR FOOD, A COMMITMENT TO HOSPITALITY

At Skyview at Terra Vista, exceptional dining is about more than delicious food. It's about creating memorable experiences where members feel welcomed, valued, and right at home. Executive Chef Jeff Scarano brings that philosophy to life every day.

With more than two years at Citrus Hills, Chef Jeff brings an impressive culinary background that began as a dishwasher at Outback Steakhouse in Inverness. His career has taken him through restaurants, hotels, and country clubs, including five years as Executive Chef at The Rose Plantation, a fine-dining establishment in The Villages. He also served as Executive Chef at The Waterfront Inn, where he helped launch a Caribbean-inspired restaurant concept.

Today, Chef Jeff oversees Skyview's culinary operations, from menu development and creative presentations to mentoring his kitchen team. His passion for hospitality goes beyond the kitchen. He even once changed a flat tire for a member picking up a takeout order!

Chef Jeff is also quick to recognize the talented team working alongside him. He speaks with genuine admiration for their dedication, hard work, and commitment to delivering exceptional dining experiences. He especially appreciates Justin Bowman, his trusted partner in managing the kitchen, along with the cooks and dishwashing staff who keep everything running smoothly. For Chef Jeff, Skyview's success is truly a team effort, and he couldn't be prouder of the people who help bring it all together.

Behind the scenes, enhanced staff training and service standards are designed to make every dining experience more seamless, attentive, and personal.

For Chef Jeff, the greatest reward is bringing people together through food, whether it's an elegant five-course wine dinner or a perfectly prepared burger. At home, he shares that passion through weekly cooking lessons with his daughter.

With Chef Jeff's creativity and a dedicated team, Skyview continues working toward becoming a premier dining destination our members are proud to share with family and friends.

Chef Ray Matson

EXECUTIVE CHEF | THE GRILLE, TIKI BAR & BANQUETS

FROM DISNEY MAGIC TO TIKI BAR FAVORITES

What do Cinderella's Royal Table at Walt Disney World, a popular St. Petersburg food truck, and the Grille & Tiki Bar have in common? Executive Chef Ray Matson!

Since joining Citrus Hills in November 2025, Chef Ray has brought an impressive culinary background, creative flair, and genuine passion for food to the Grille, Tiki Bar, and banquet operations.

Surprisingly, cooking wasn't his original career plan. A music education major at the University of South Florida, he spent five seasons performing with the Herd of Thunder Marching Band before discovering his true calling in the kitchen.

His culinary journey eventually led him to launch Jim's Eats and Treats, a food truck at Pinellas Ale Works in St. Petersburg. The business became a local favorite, earning recognition in I Love the Burg and expanding into catering and seven-day operations. Here's something members might find surprising: several current menu favorites originated there, including the Mighty Moses, Bacon-Wrapped Jalapeños, and Smokey Mojo Nachos!

His next chapter took him to Walt Disney World, where he spent three years as an Assistant Sous Chef and Allergy Specialist, working at Chef Mickey's, Cinderella's Royal Table, and other prestigious Disney restaurants. He also earned a Culinary Skills Certificate from Johnson & Wales University.

Despite those accomplishments, Chef Ray believes great cooking is about more than impressive credentials. Inspired by a memorable scene in Ratatouille, he strives to create meals that evoke cherished memories and bring genuine joy to guests.

Outside the kitchen, he enjoys fishing, golfing, exploring local waterways, and visiting neighborhood diners with his nine-year-old daughter.

And while he's proud of his culinary journey, he's quick to credit his talented kitchen staff, especially longtime Sous Chef Jason.

For him, exceptional dining is always a team effort!
